FAIR PARK HIGH SCHOOL

my dearest darling John Larry,
This is the last time I'll
have the opportunity to write in my
loves sequel. So I'm taking the
time to tell you how I feel about
you.

Sometimes we've had our disagreements
(only as true lovers do) but somehow we
always get back to gether. I want
you to know I'm very fond of you
and you are going to be a fine
man (someday maybe!).

I shall close only to say I'll
regret not taking you with me to
put on my desk at college next
year.

Love ya Honey Bunch,
Jan Larry

John,

These last few years
I've known you have been
the "wildest." You're quite a
character. I don't see how
anyone could help liking you.
I don't know how often we
will see each other after this
year but I want you to know
you're one of the greatest guys
ever. Lots of luck always.

Friendliness . . . and Tradition

John -
I have really enjoyed having you as a friend this year. You are a cute and sweet guy with a winning personality. I want to wish you the very best of everything in the future. I hope just because school is ending that our friendship isn't ending.

This is the

Spirit

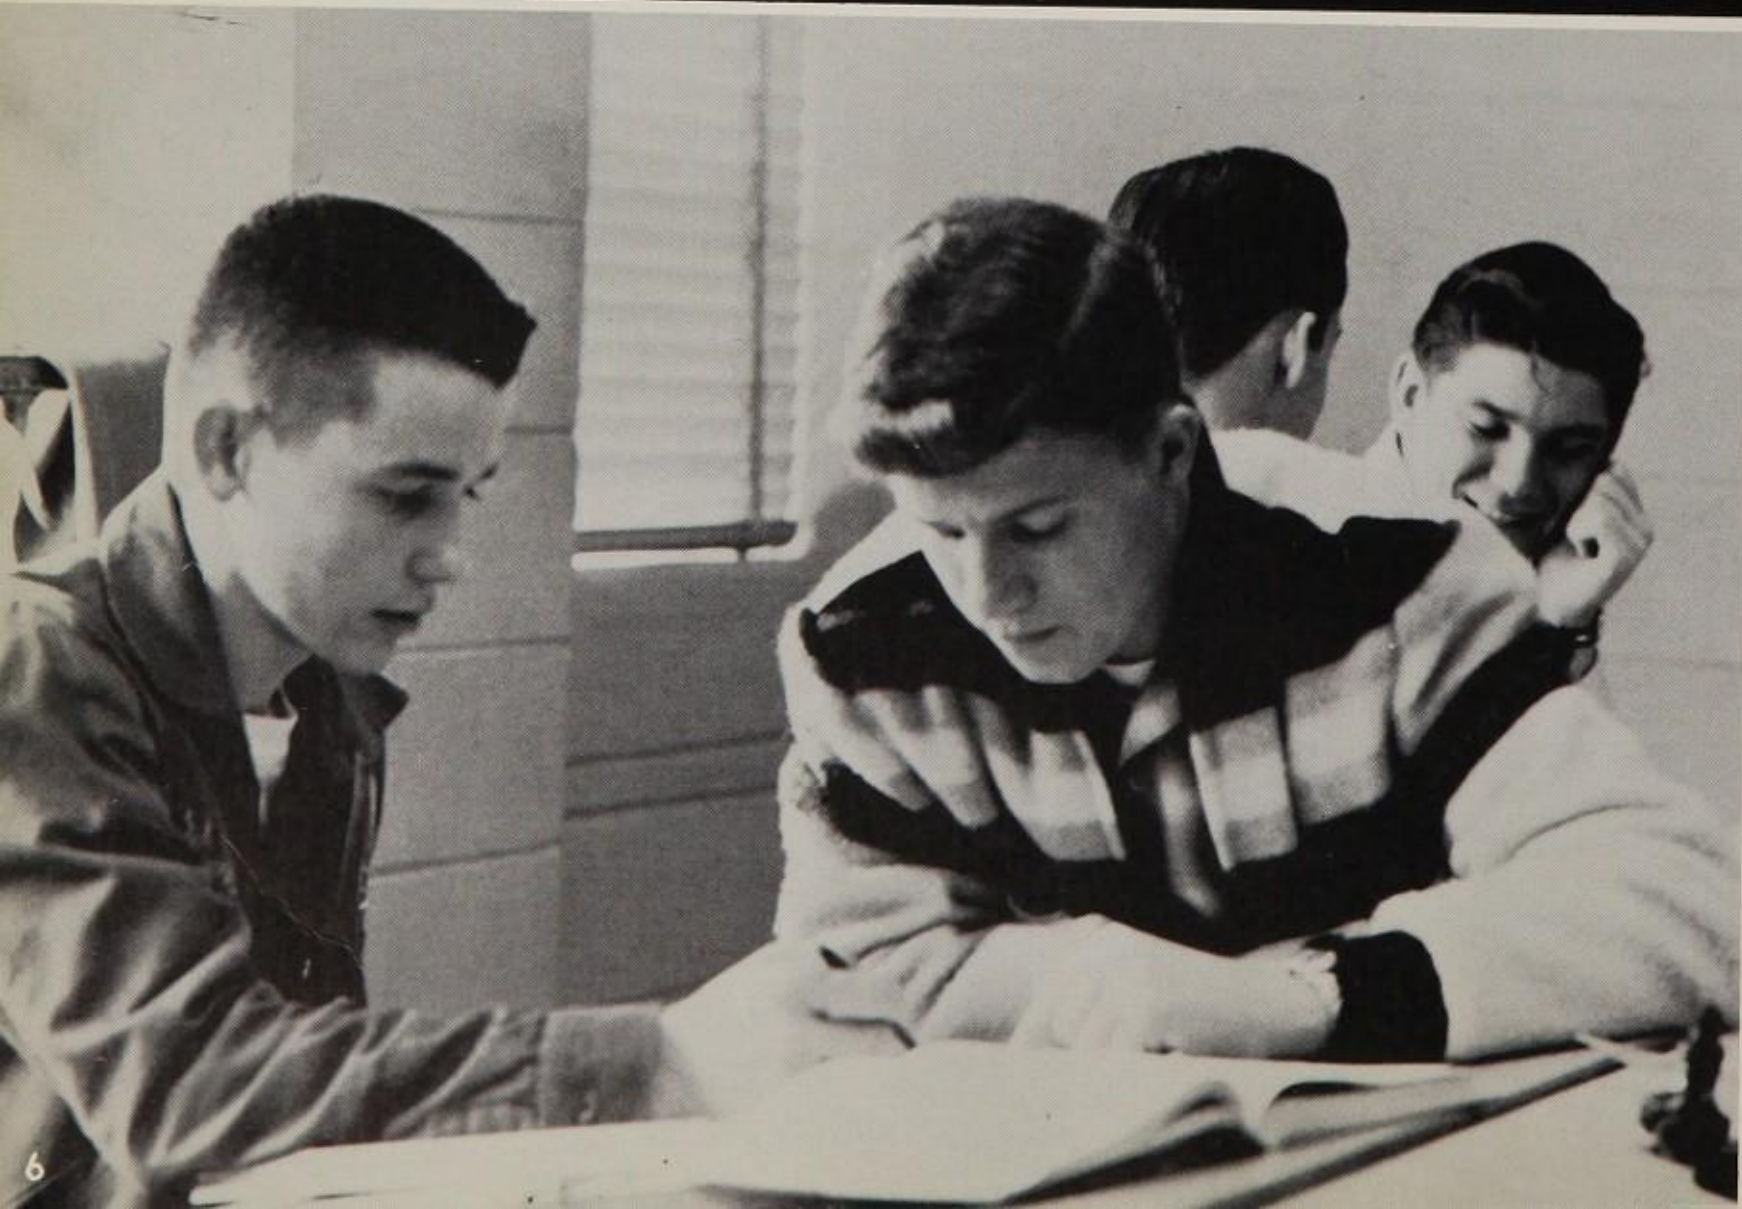

Spirit is the extra step to avoid the big chief sacred ground. It is bursting lungs at pep rallies. It is the yellow jacket hung from the flag pole, the black and gold crepe paper streaming from decorated cars, the after school training sessions. It makes the Honor Legion and the band march snappily and makes the alumni visit during homecoming. It is the cheer for the injured opponent, the groan for the extra point we didn't make. Because of it some games are heartbreakers and others thrillers. It costs us broken fingernails and wear and tear on nerves. But we sing the alma mater with pride because the spirit of Fair Park gives us a sense of loyalty.

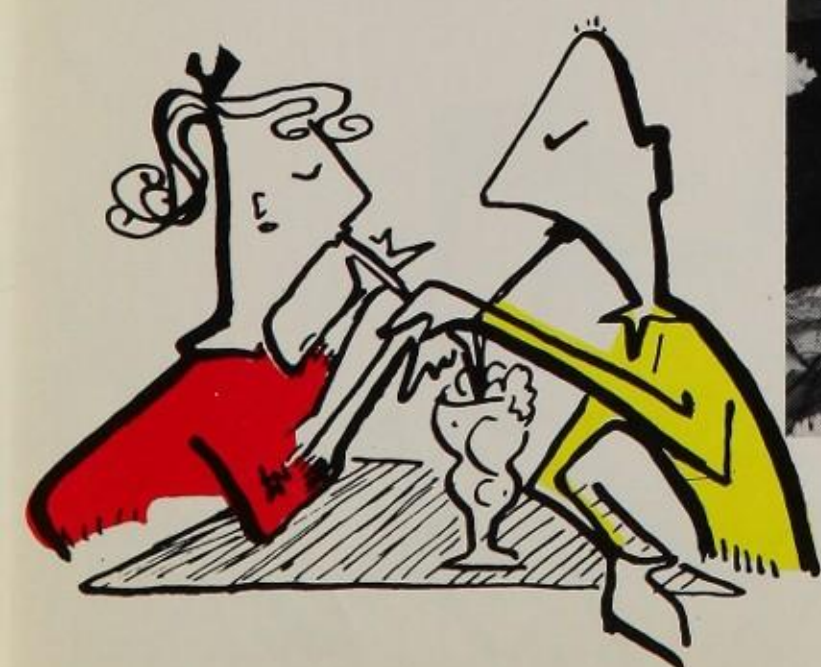

This is the Friendliness

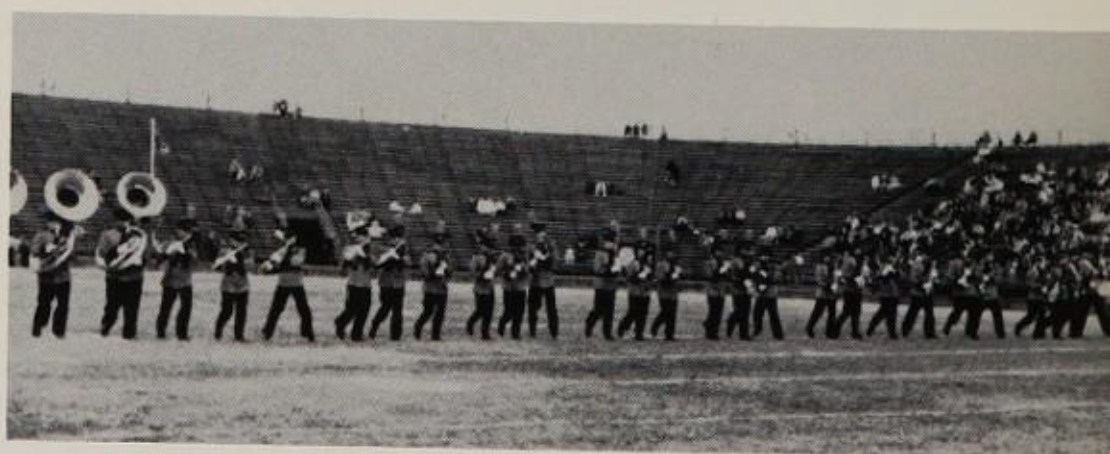

Heads huddled together over homework, a joke shared with a friend, a warm and sincere handshake — this is the friendliness. It gives direction to lost sophomores and a push to a stalled car. It makes plans for the future, links arms, has fun together. It makes new friends and strengthens old ones. It is sore feet from much dancing, the all-day signing of Sequoyahs, a wave of a hand in greeting, an open heart and an open hand toward newcomers. Because of it, ideas are exchanged, dreams discussed, laughter shared. This is the friendliness.

Tradition is our Indian mascot. It is the Dixie Drill Team, letter jackets, cafeteria music. It is the anxious waiting for the outcome of the beauty election, the favorite and Mr. and Miss Fair Park election. Rivalry at the Thanksgiving game is keen because of it. The uniforms of the Honor Legion, caps and gowns, yellow mum corsages with black satin ribbons — all are a part of the tradition. The coronation of queens, ordering of senior rings — all are because of tradition. We order invitations, do research themes, take final tests. Then there is baccalaureate, graduation, diplomas. Tradition lives on.

This is the Tradition

**Blessed is he,
who has found his life work
and who has lived each day in joy.**

In loving memory we pay tribute to our principal Edwin H. Herron. His passing leaves a vacant place in our midst, but his living has enriched our lives. Each of us will remember him in a particular way, at a particular time. His footprints will remain within the realm of our school; his influence will endure through the activities and performances of those who have been associated with him. He merited our love by his warmth of personality and his concern for others, our respect by his strength of character and his faith in us, our admiration by his perseverance and his happy spirit.

Our Principal

E. H. HERRON

His Message

To the Seniors — Good-bye, but not farewell. To me you are a very special class, being the first graduates to have spent your full three years of senior high school under my supervision. May your lives be successful and your memories of Fair Park lasting.

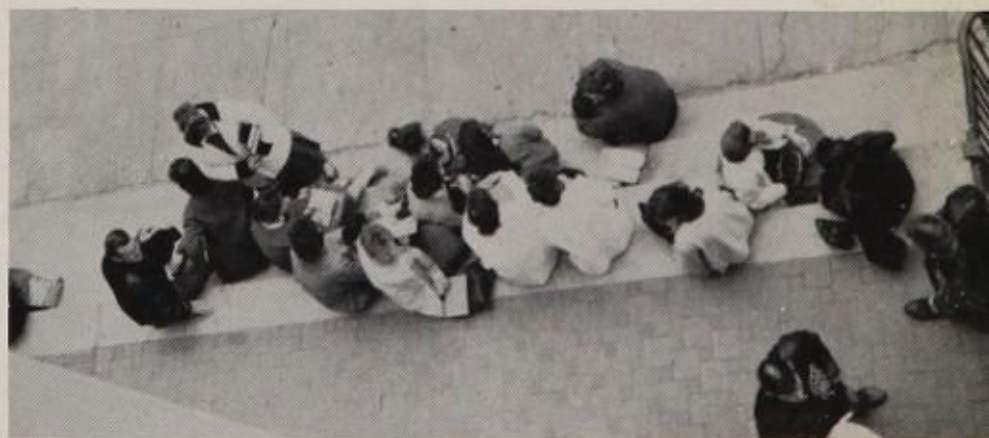

To the Juniors — I trust that the past two years, spent as students at Fair Park, have been both memorable and gainful. I look forward to your return and hope that your final year here will bring each of you closer to your life's goal.

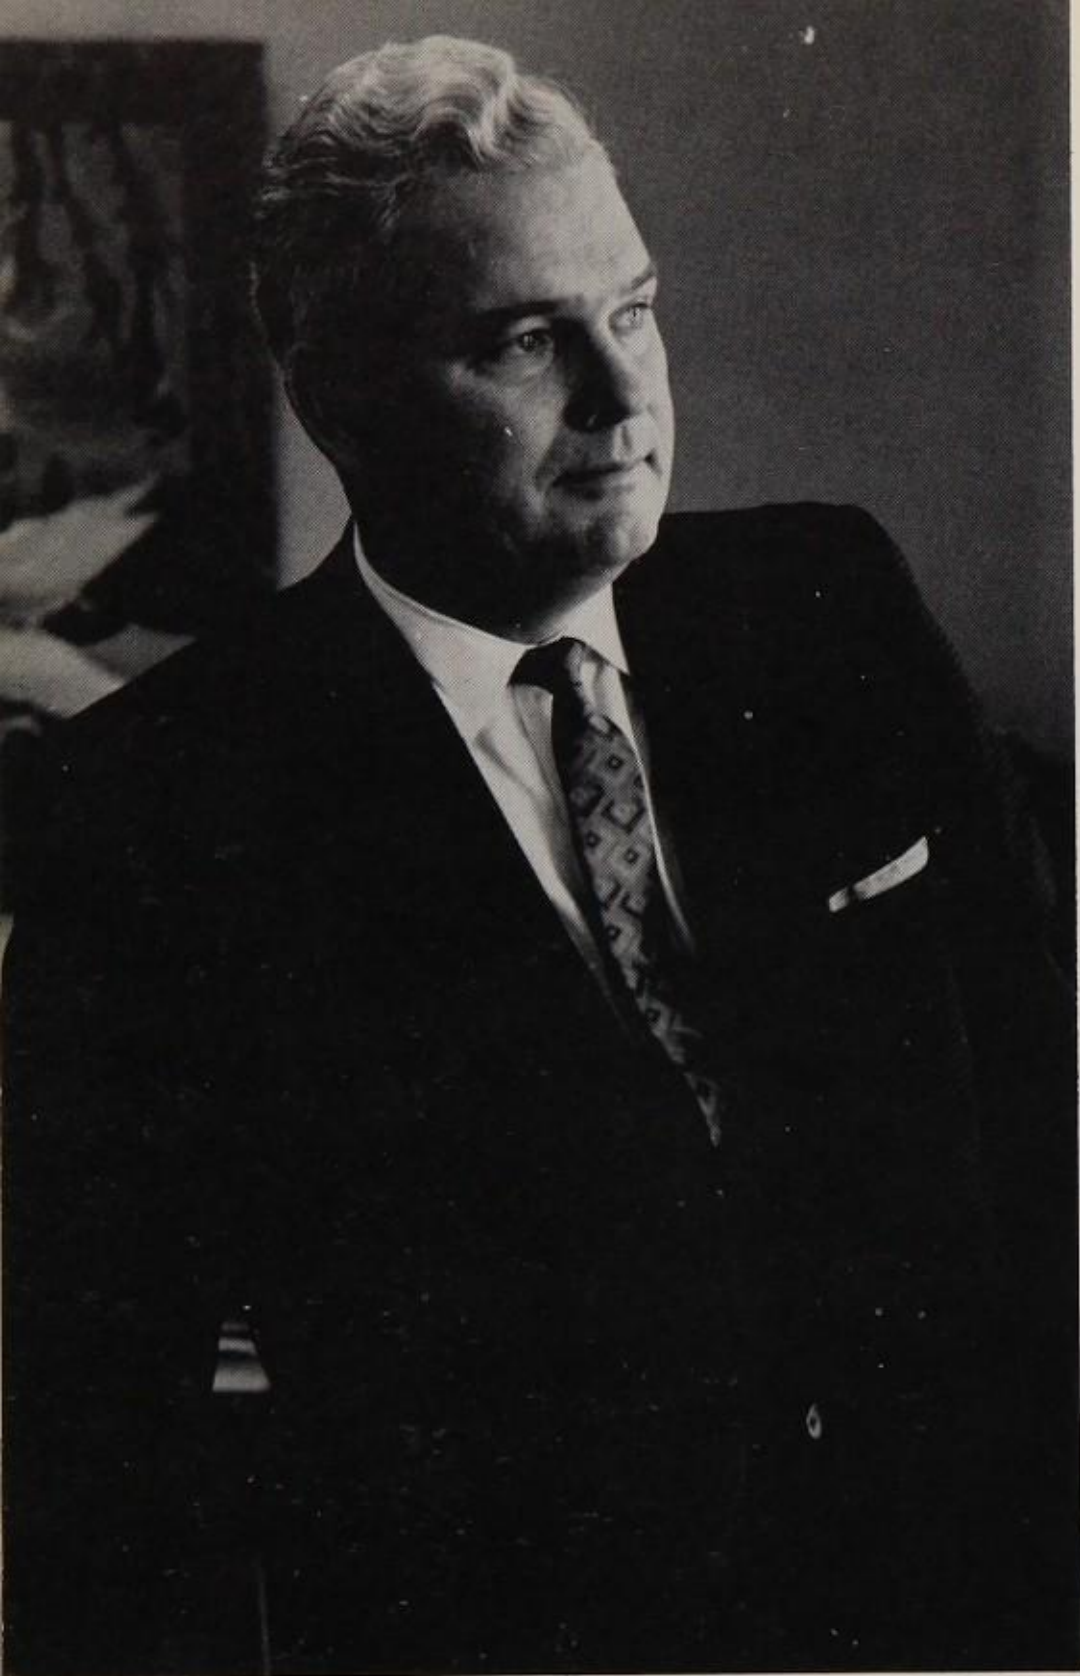

To the Sophomores — Welcome to Fair Park. Sophomore Week and *Indian Customs* were planned especially for you. During your sojourn here I hope you will develop pride in your school and prepare yourselves for a happy and useful life.

To the Faculty and Staff — My thanks and appreciation for your efforts and cooperation without which a successful year could not have been achieved.

And to all of you — My congratulations for a job well done. May God bless you and keep you, now and forever.

"He that would have the fruit must climb the tree." Students are encouraged to strive for learning independently as well as under class direction.

Languages for communication . . .

Speech class where students learn poise and confidence and participate in dramas is a favorite elective.

Expressions show attention and interest as a well prepared lesson takes place.

Social Studies for a better society

A spirit of helpfulness prevails.

Latin, French, Spanish develop an appreciation for the cultures of other lands. Eager to translate a Spanish sentence a student raises her hand.

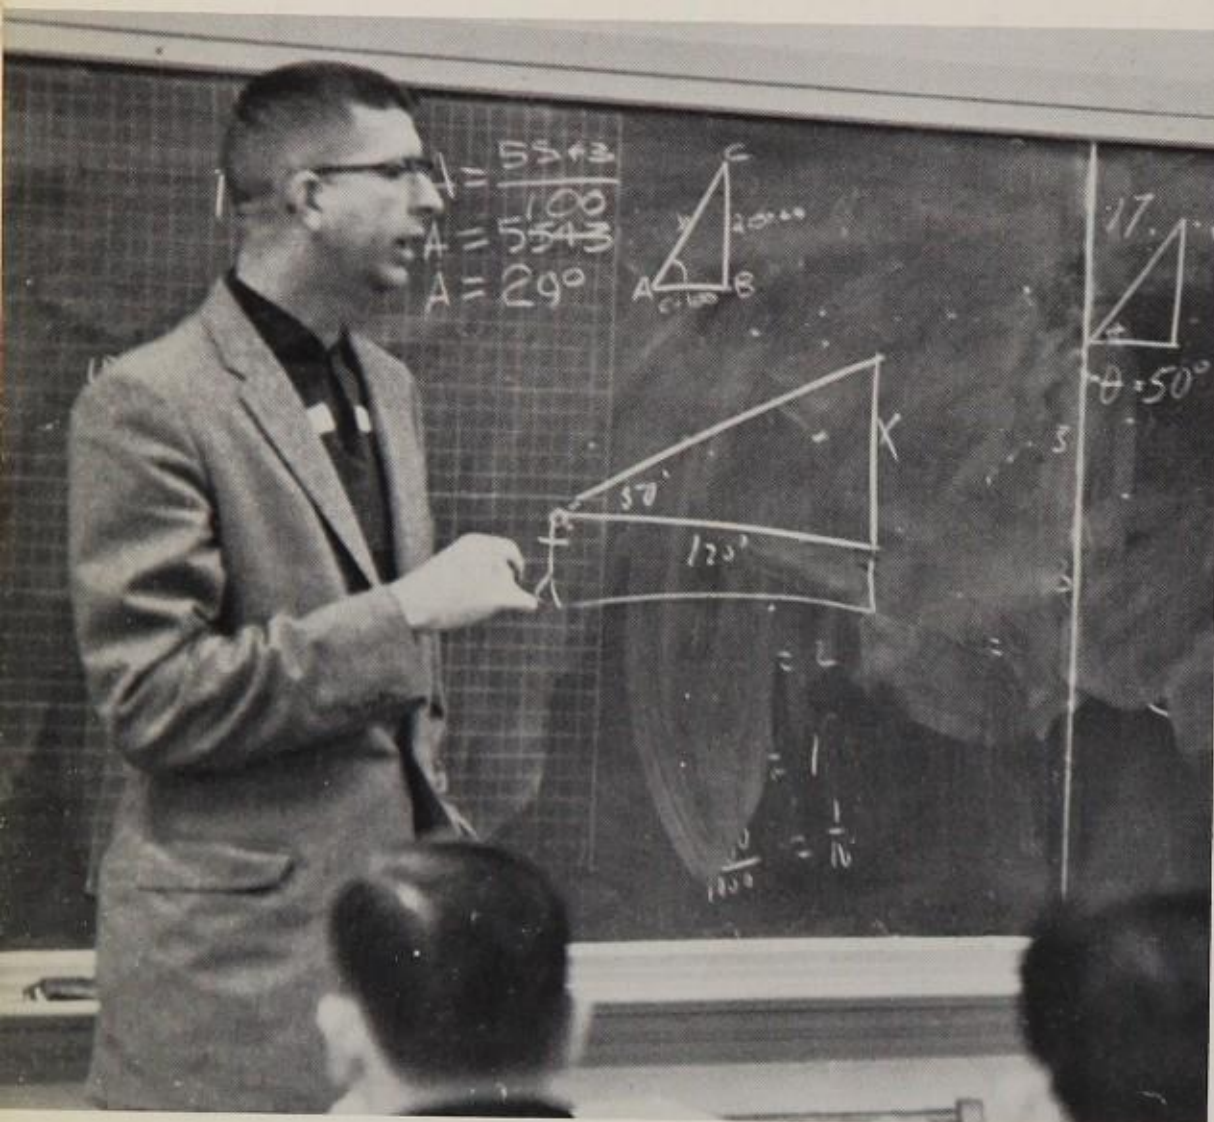

A study of the history of our country is an essential part of the curriculum of every senior.

Journalism students have an opportunity to experience all the phases of the production of a newspaper as they publish the monthly school paper.

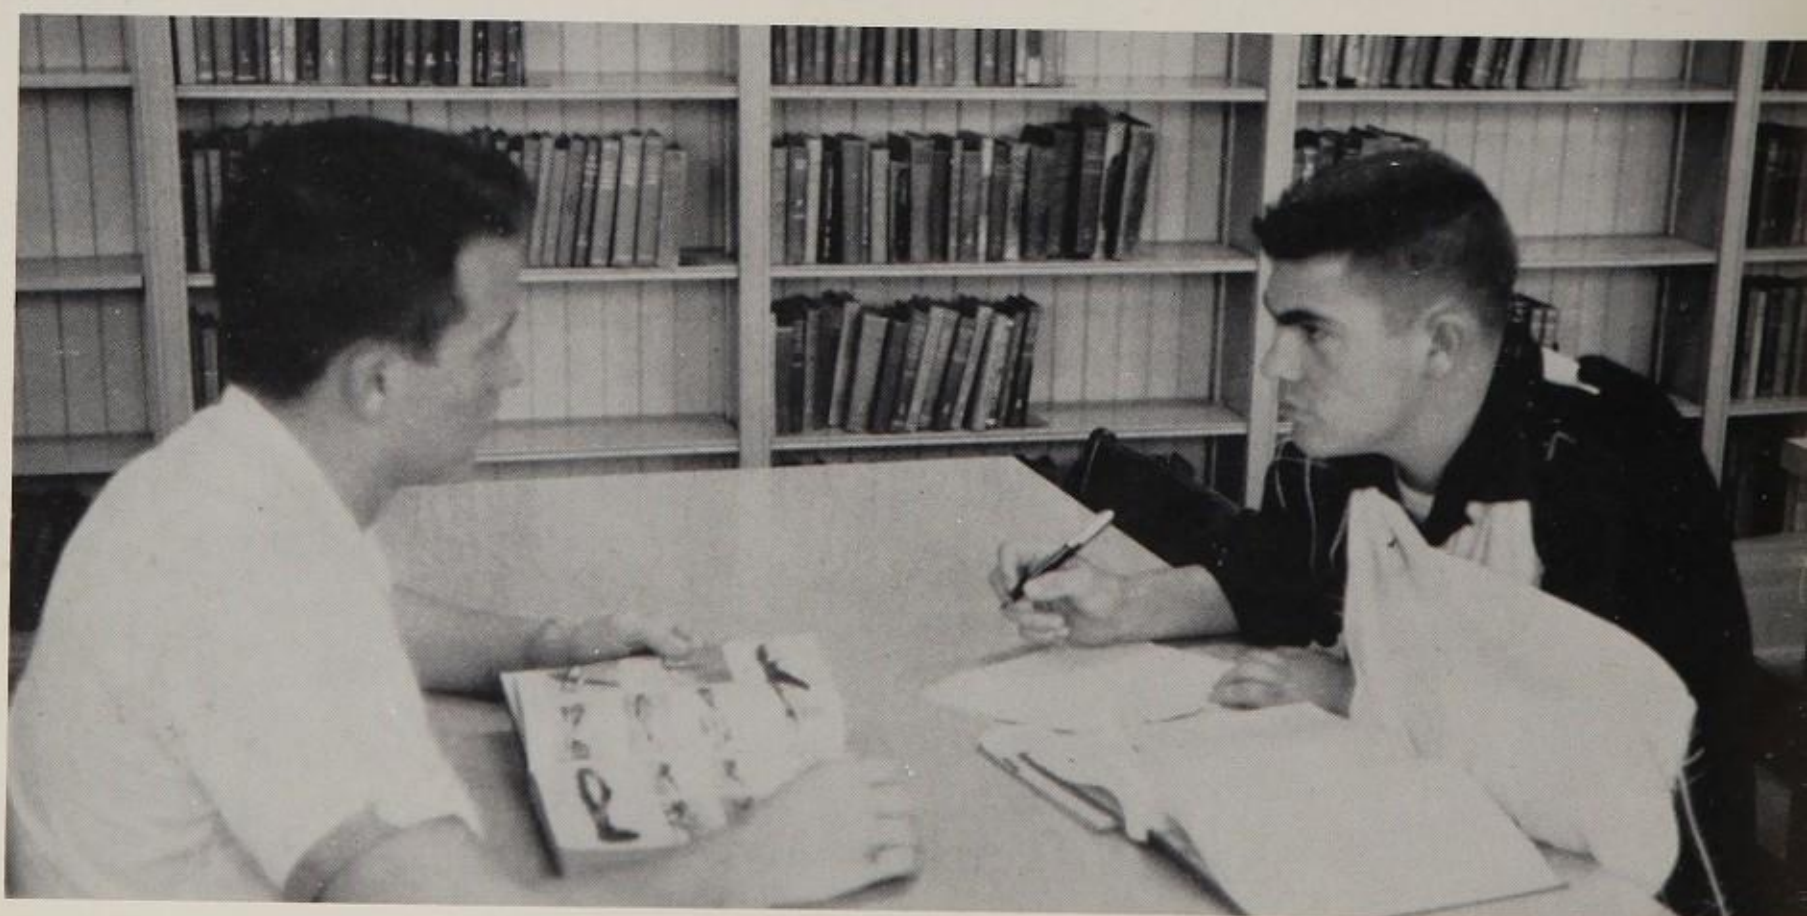

Demonstration by instructor is followed by student performance.

In the classroom are born many dreams that become reality.

Mathematics and Science

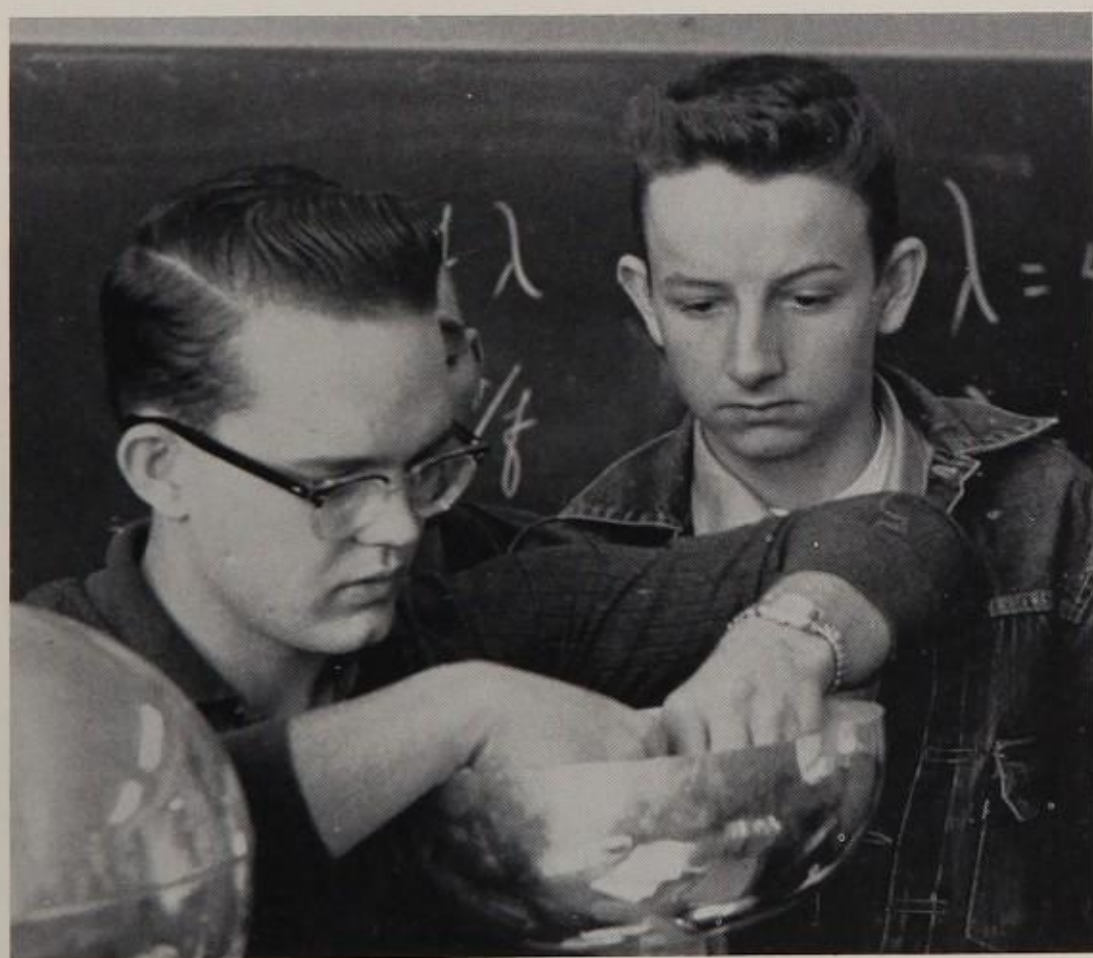

Mathematics opens doors to many fields — aeronautics, engineering. A well-equipped library furnishes additional information on these fields.

A student demonstrates his own electronic device to his classmates.

an investment in the future.

Understanding of electricity is quickly and vividly gained when equipment such as this is used.

An instructor watches the interest of his class with satisfaction.

Surprise, awe, concentration, but mostly intense interest show on the faces of this biology class as it watches the performance of an exploratory incision on a white rat by classmates.

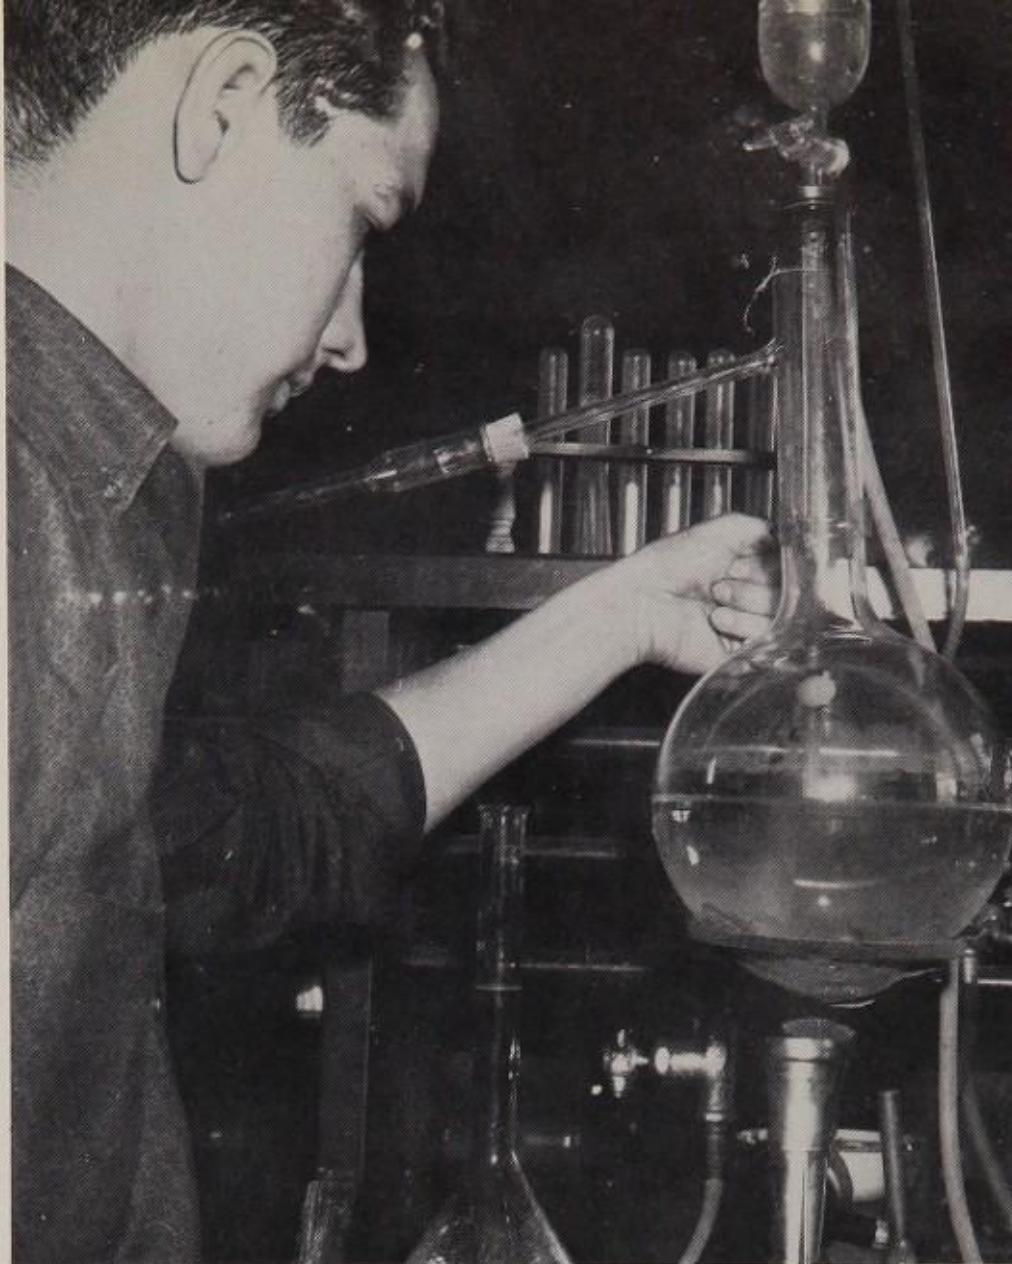

A wise teacher helps students prepare for a job to be done by themselves.

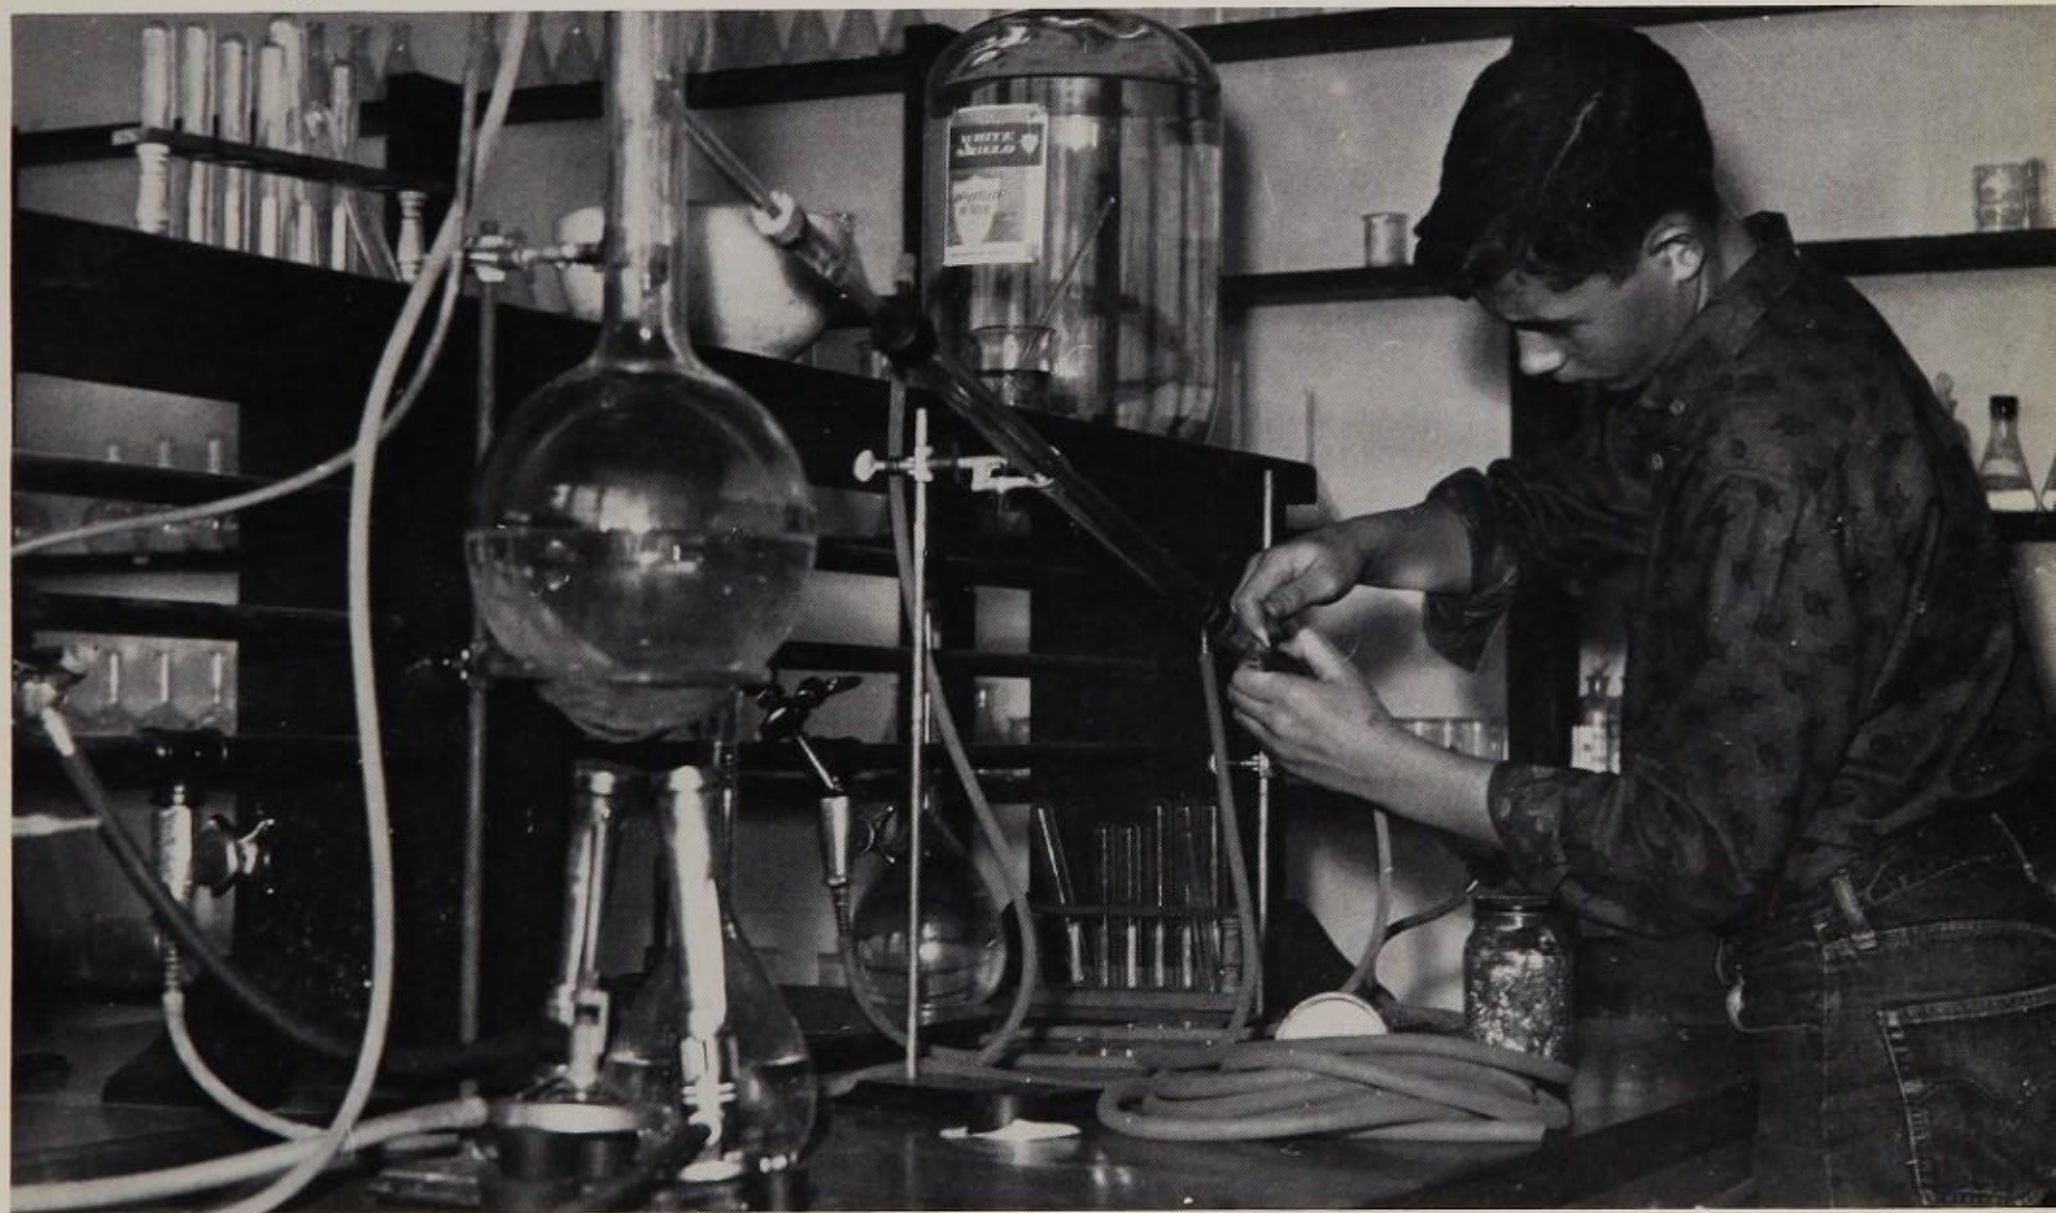

Setting up one's own experiment is an experience offered to all.

Learning is best with doing.

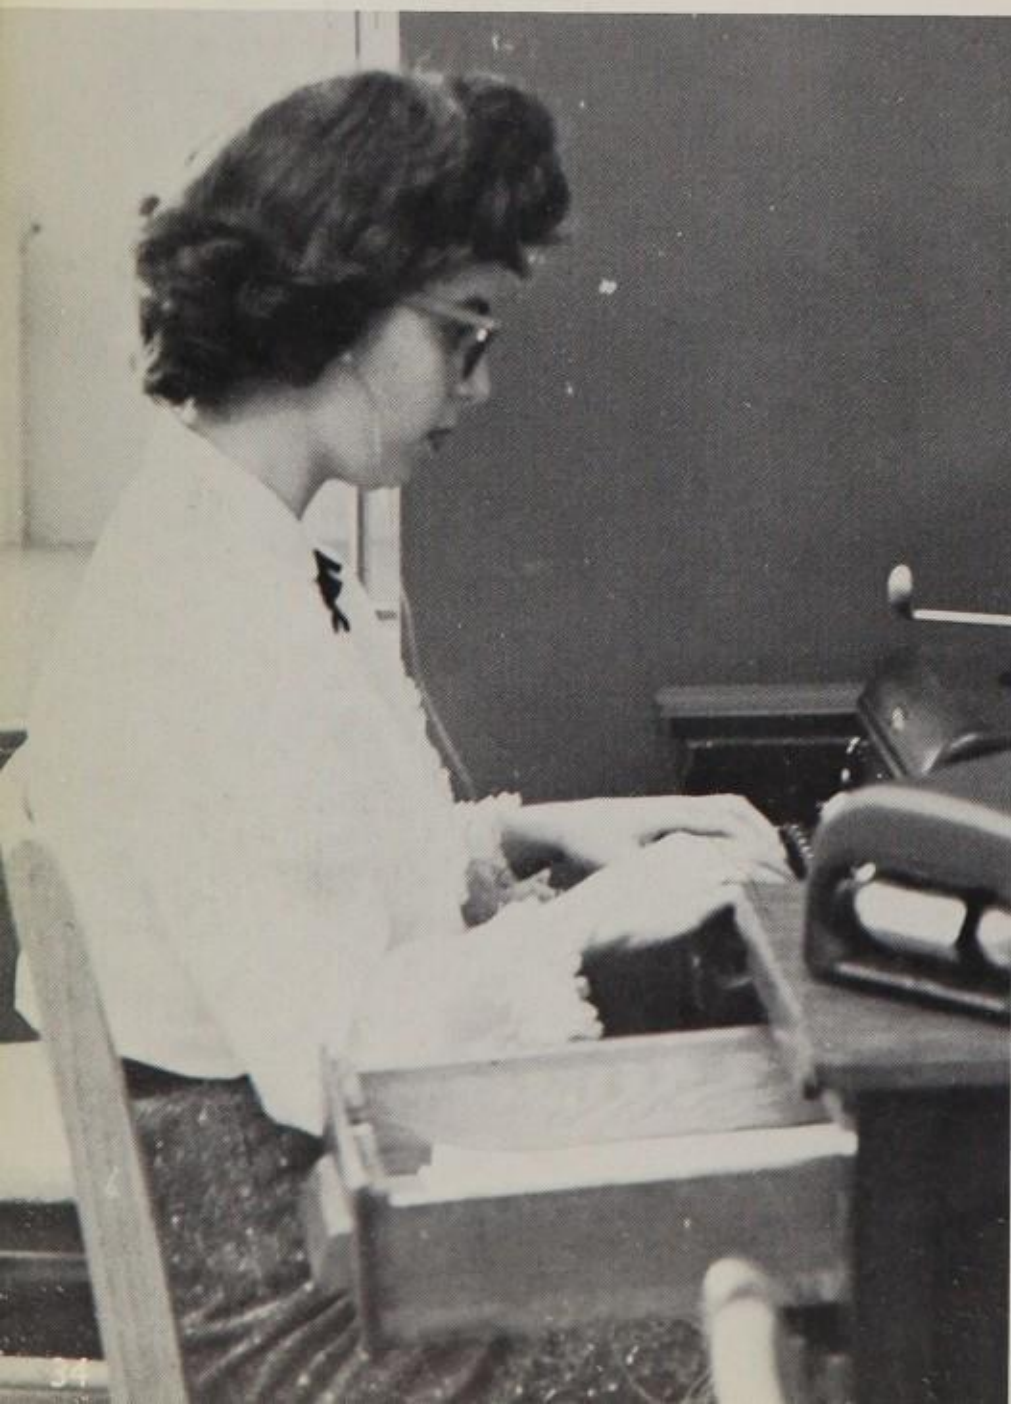

Water distillation and other experiments in a well-equipped laboratory add to the meaning of chemistry.

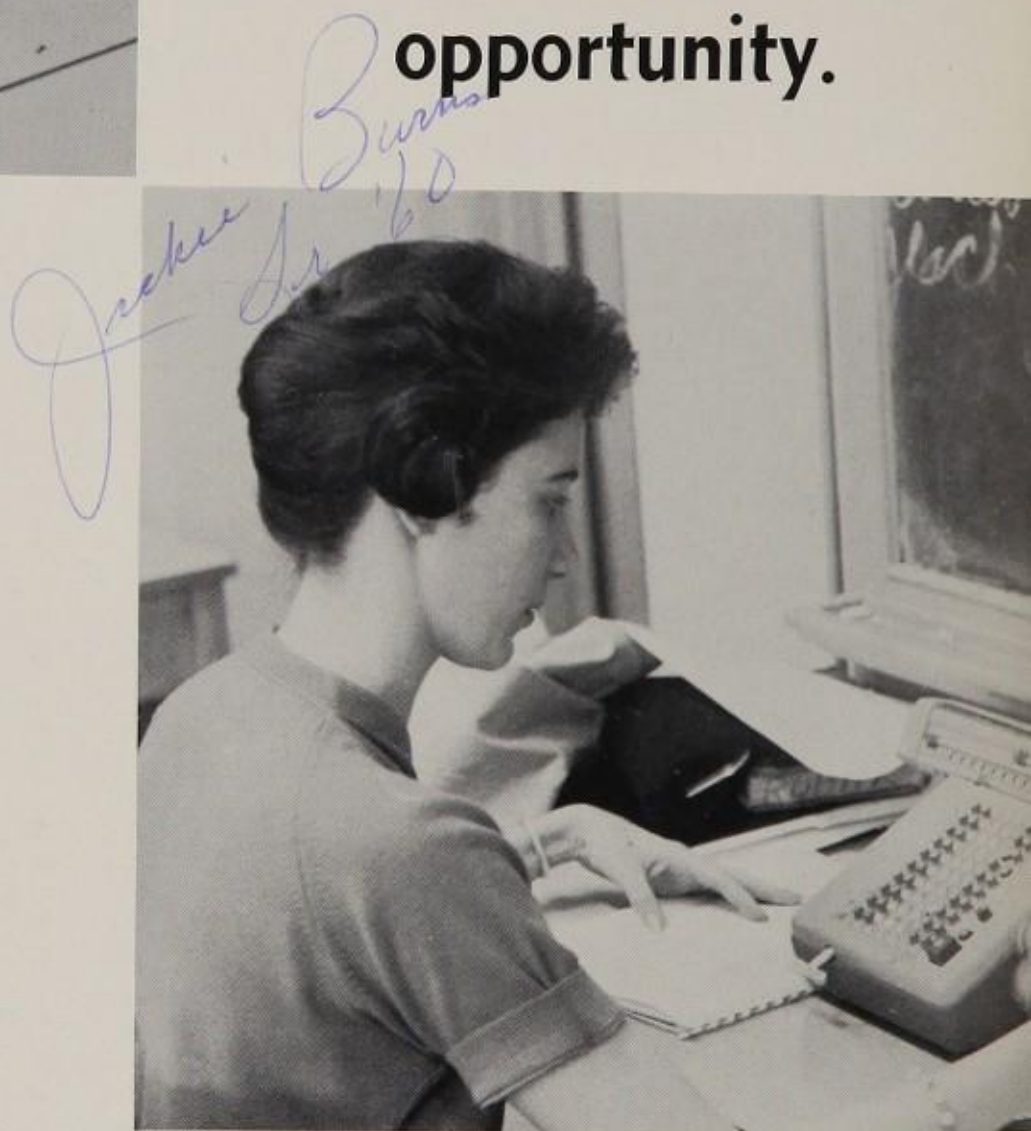

Learning by doing is the idea in office practice classes.

Accuracy in columns of figures, multiplication, and division is assured with calculating machines used in these classes.

**Preparation
is an
opportunity.**

The most modern business machines bring big business into the classroom.

Filing, part of the job of every business is of value to any student. A helpful teacher makes this learning a pleasure.

Social poise is a part of the curriculum in as well as out of class.

Modeling a garment made in home economics class is its own reward.

Band members take pride in well-polished instruments.

Music is fun.

Many hours of practice produce pleasing results.

During football season and during concert time members strive for perfection.

Every student has an instrument — his voice. This choral group performs for local groups.

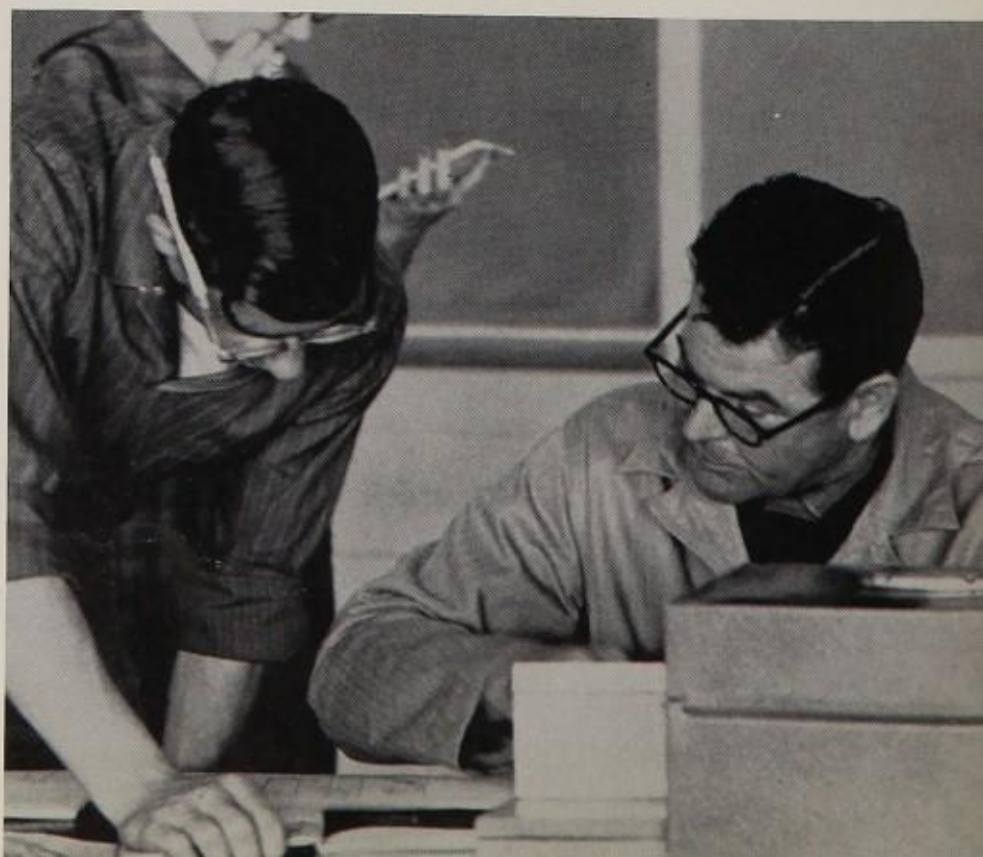

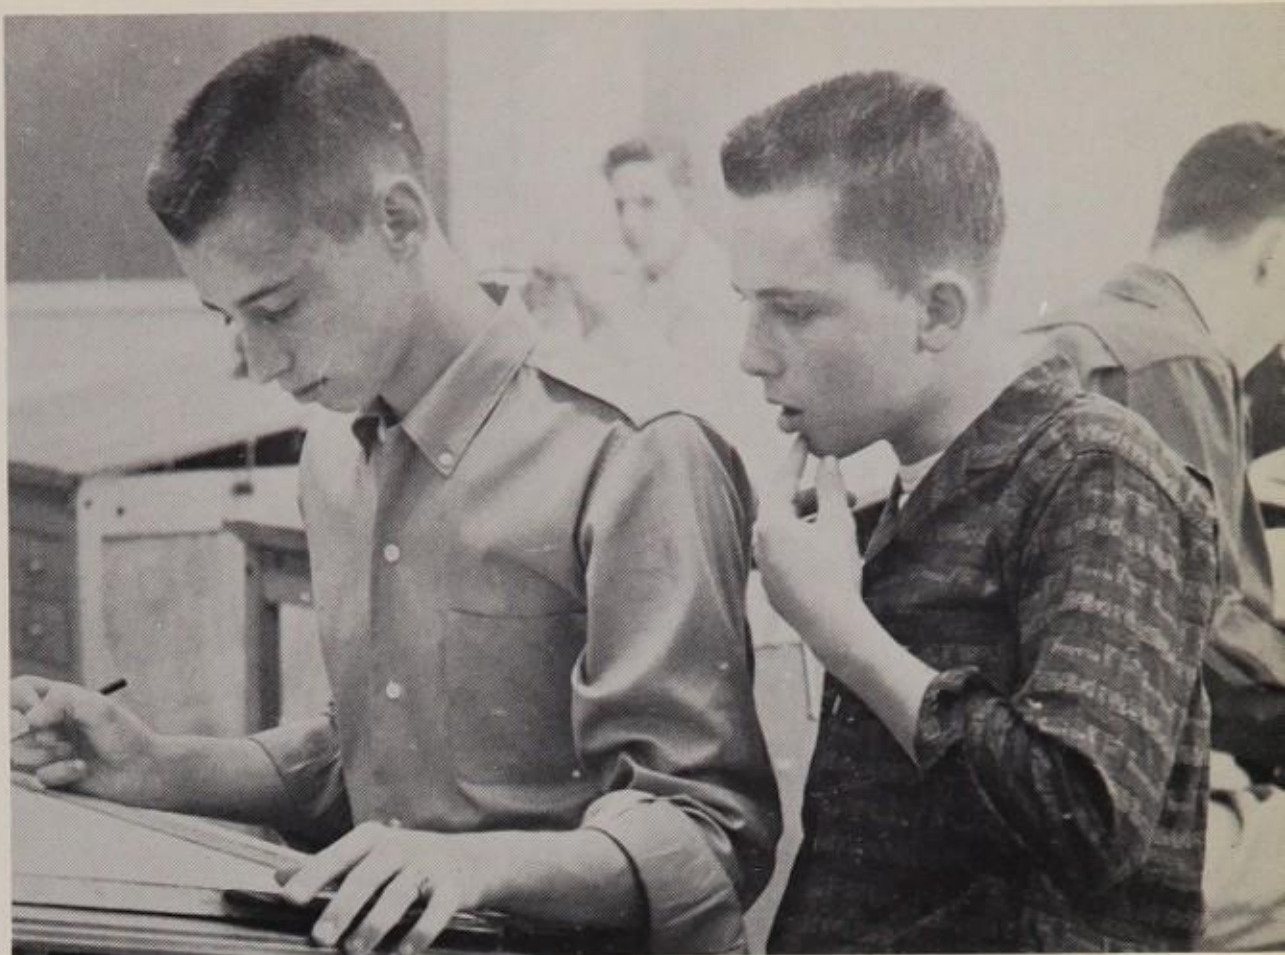

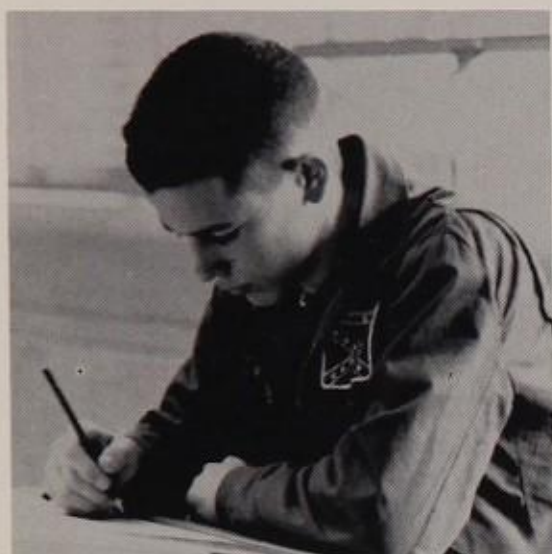

Equipment usually not available to students outside school is used with skill.

Advice from an interested teacher is an important factor in a successful project.

Informal classroom procedures encourage creativity.

Some build and create.

Teacher with an eye to the future teaches classes to draw house plans.

Routine exercises tone muscles for coordinated activity.

Competitive sports develop responsibility.

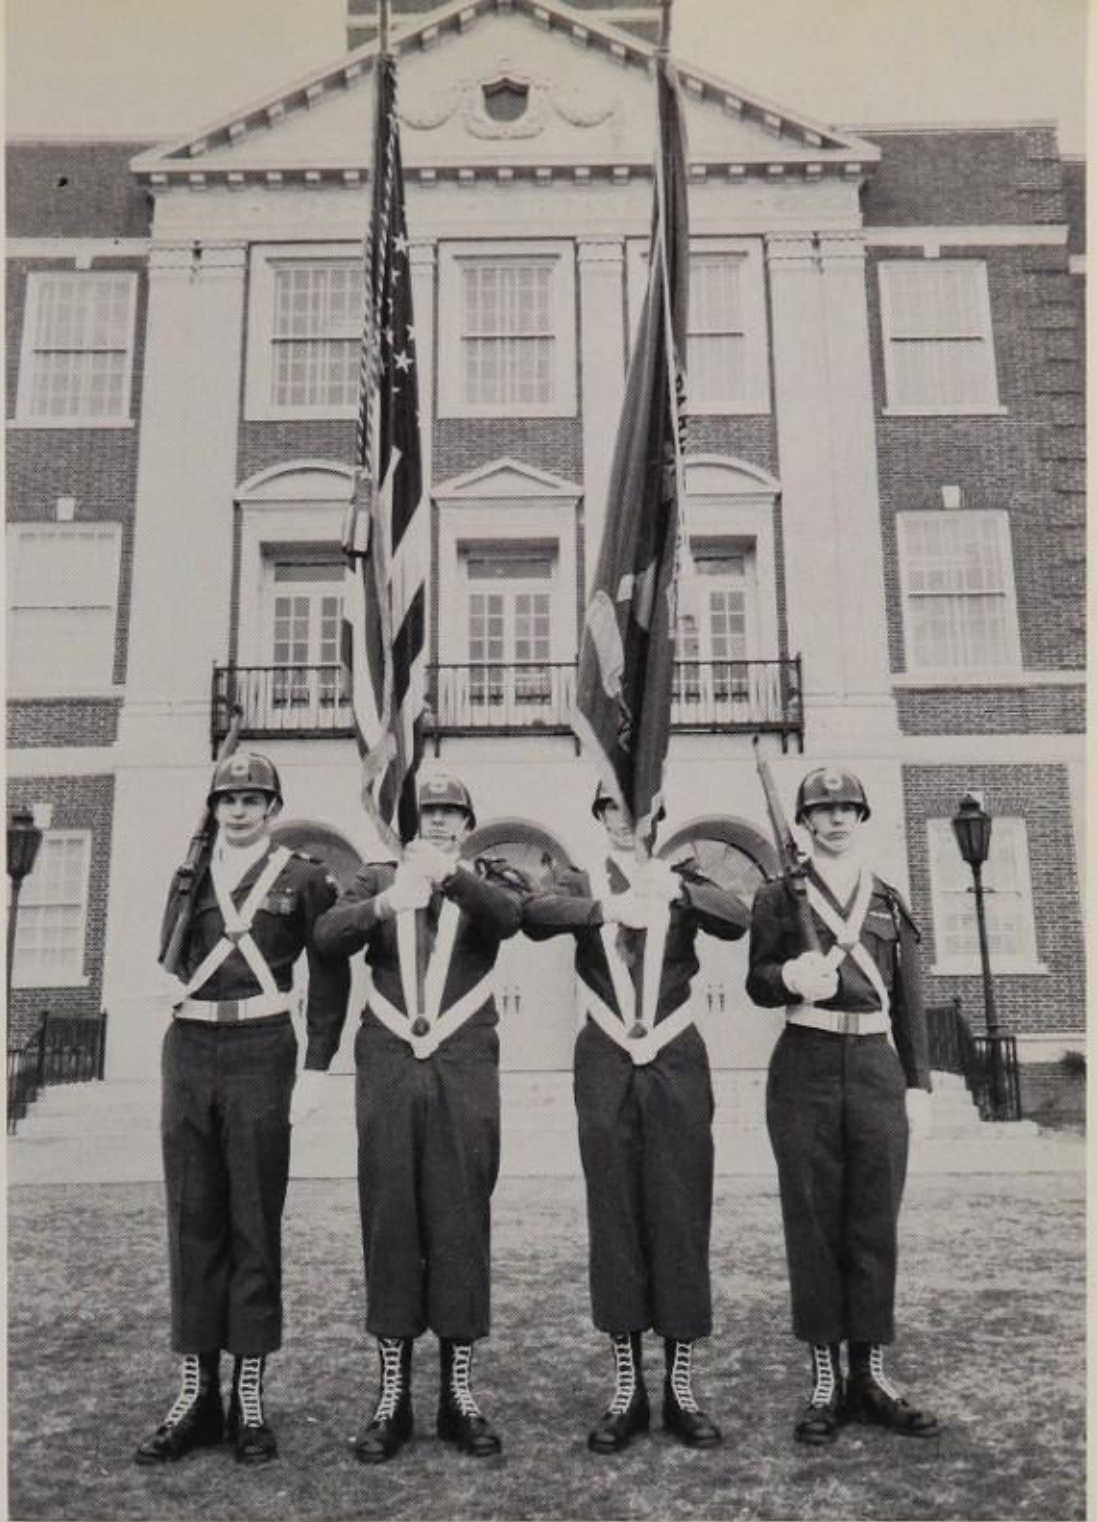

The spirit of basketball is carried out in the gym.

**A healthy
body – a
good life . . .**

An increased respect for and loyalty to school and country is a product of the school military program.

Fair Park 20 Marshall 14

Fair Park 7 Bolton 13

Fair Parks' Indians opened the 1959 football season by defeating the Marshall Mavericks 20-14 at State Fair Stadium. Seniors Billy Vice and Paul Labenne accounted for all the Indian scoring. Labenne scored the first and third touchdowns on runs of 11 and 5 yards and added the two extra points while Vice grabbed a pass from junior quarterback Donnie Carroll and raced 21 yards for the in-between marker. As the fourth quarter began the Mavericks forged into the lead on touchdowns by halfbacks H. L. Daniels and quarterback Ronnie Carpenter. Trailing 14-13, the Tribe went to work and drove to the Maverick five yard line where Labenne went over for the clincher.

The terrific speed of the Bolton Bears from Alexandria proved to be too much for the determined Indians of Fair Park as they bowed in defeat 13-7 at State Fair Stadium. All the scoring occurred in the first half as the Indians scored in the first quarter on a three-yard plunge by halfback Billy Vice. Paul Labenne kicked the extra point and the Indians led at the end of the period 7-0. Bolton scored twice in the second quarter on long runs by halfbacks Charles Anastasia and all-stater Ronnie Clayton. Clayton's extra point attempt after Anastasia's touchdown was blocked by end Jay Blazin. Quarterback Bob Lee passed for the extra point following Clayton's run, making the score 13-7.

Ready for action!

Fair Park 0 El Dorado 19

One of the strongest Arkansas prep football teams, namely, the El Dorado Wildcats thoroughly displayed their power at the expense of the visiting Fair Park Indians as they rolled to a 19-0 triumph. Fullback Leroy McHan plunged 15 yards and halfback Jerry Mooty went 19, both plays resulting in Wildcat counters, added to Tommy Davidson's extra point gave El Dorado a 13-0 lead at halftime. The third period brought another Cat touchdown as halfback Jim Faulkner intercepted a pass from quarterback Donnie Carroll of the Tribe and galloped 86 yards for the final TD. Even performing as they did, the Arkansas trio were overshadowed by tremendous running exhibition put on by Indian workhorse Billy Vice as he led all ground gainers with 143 yards in 18 carries.

Fair Park 0 Texarkana, Tex. 32

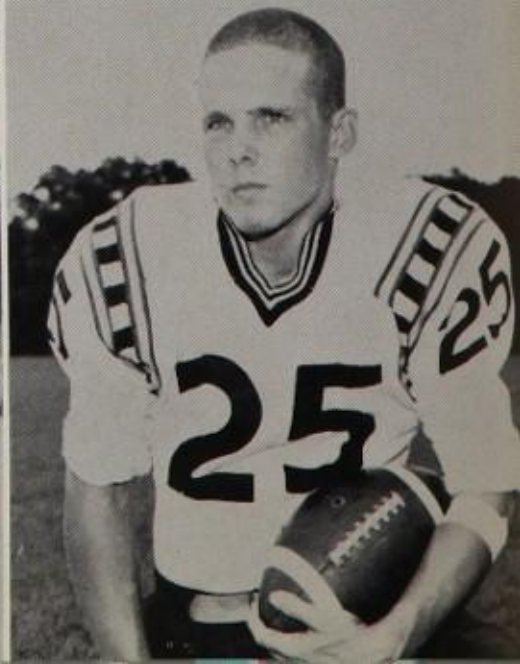

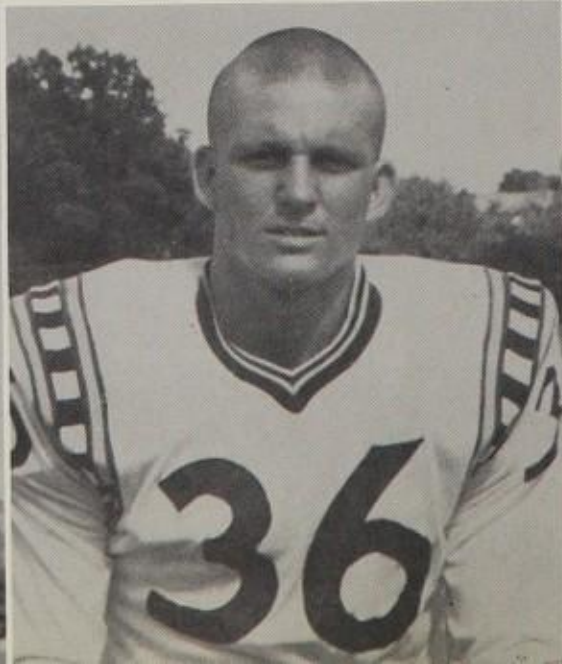

Texas High School of Texarkana, Texas ran up a Texas size score as it downed the host Fair Park Indians 32-0. Led by quarterback Raymond Vann and halfback Carlos Harvey, the Tigers scored once in the first, third, and fourth periods and twice in the second to crush the Tribe. Harvey manufactured three of the five, one on a pass from Vann, with halfback Bobby Cox and reserve quarterback Buck Wilson getting the other two. Wilson added the two extra points. The passing of Donnie Carroll was the only bright spot from the Fair Park point of view. Donnie connected on seven of fifteen attempts for 107 yards.

Fair Park 6 Istrouma 42

Fair Park 26 Bastrop 20

The highly ranked Istrouma Indians from Baton Rouge pinned a 42-6 loss on the Fair Park tribe in State Fair Stadium as the Greenwood Road Indians prepared for their first district game against Bastrop.

With quarterback Jack Webb, halfback Gene Achord, and fullback Donnie Cotton leading the way, Istrouma banged away at a determined Fair Park defense for six touchdowns.

Istrouma led 21-6 at the half on runs of 15 and 25 yards by Cotton and a last minute pass from Webb to Dickie Cox. Webb kicked all three PATS.

Fair Park's lone touchdown drive started in the first quarter when quarterback Donnie Carroll passed to Paul Labenne, who received a broken collarbone as he was forced down on the Istrouma five-yard line. Bill Vice then drove over for the tally. Vice's extra point try was blocked.

Istrouma scored thrice more in the last half. Webb added three more extra points to give him a perfect night, six for six.

Fair Park opened its district 1-AAA season with a 26-20 triumph over the Bastrop Rams in the Bastrop Stadium.

The tremendous running of fullback Charlie Wilkinson and halfback Bill Vice, along with the passing of quarterback Donnie Carroll, proved to be too much for Bastrop.

Early in the first quarter, Wilkinson grabbed a Carroll pass on the ten-yard line and plowed over several would-be tacklers for the score.

Several plays later Carroll hit Vice in the end zone for the final touchdown of the half. Vice's extra point was good after he kicked wide on Wilkinson's TD.

In the third quarter, the Indians got two more touchdowns on a two-yard dive by Vice, and on a sixty-five yard run-back of a pass interception by Tony Causey. Vice's extra point after Causey's TD made the score 26-0.

With the start of the fourth quarter, Bastrop came to life. Jerry Hallis, the leading scorer in the district, scored three times on runs of 10, 70, and 8 yards. Charles Burks added the five yard line for the final TD. Charles Beach made the seconds left, Bastrop recovered a Tribe fumble, but didn't have time to run a play.

Jim Little (65) and Charlie Ogletree (34) open hole for Vice.

Paul Labenne makes the dust fly.

Fair Park 14 Ouachita 28

Before a fine crowd in Monroe, the Ouachita Lions grabbed four first-half touchdowns and held off a third quarter Indian uprising on their way to defeating favored Fair Park 28-14. Ouachita scored first in the opening quarter on a pass from Bobby Hendrix to Bobby Shipp. Three second quarter TD's by Shipp, Bob Saterfield, and Ervin Bates on a pass from Hendrix and four extra points by Hendrix gave Ouachita a 28-0 lead at the half. In the third period, Billy Vice scored the first of the two Fair Park touchdowns on a ten-yard run. Quarterback Donnie Carroll passed to end Jack Odom for the other with the play covering thirty yards. Vice kicked both extra points, leaving the Lions a 28-14 lead.

Fair Park 7 Bossier 21

Paced by big Robbie Hucklebridge at fullback and halfback Bill McClung, the Bossier Bearcat offense proved almost unstoppable for the fighting Indians of Fair Park, as the Tribe fell 21-7. Billy Vice capped the Indians first quarter drive with a one-yard dive for a touchdown. Vice booted the extra point, giving the Tribe a 7-0 lead. The lead was short-lived though as McClung ran wide and scampered 55 yards for a Bossier marker. Billy Alley ran the seventh point tying the score. Late in the opening period, Alley came wide to the right on a reverse for a TD with the play covering 66 yards. A Hucklebridge plunge made the score 14-7 at the quarter's end. Late in the last quarter, Bossier drove to the Indian one-yard line and Hucklebridge wedged over. Rob also added the PAT.

Minden 21

Fair Park 6

West Monroe 21

Minden's powerful Crimson Tide defeated Fair Park 21-14 after leading 7-0 at halftime. The lone first-half score was accounted for by fullback Bobby Ashley on an end sweep. Charles Connell's kick was good.

Ashley scored again early in the third period, making the score 13-0. Connell again converted for point number 14. Fair Park then proceeded to grab two quick touchdowns, one by quarterback Donnie Carroll on a sneaker, and the other on a pass from Carroll to halfback Steve Cryer. Billy Vice and Jimmy Kircus accounted for the extra points. The score stood tied at 14-14 until, with three minutes left, Tide fullback O. H. Haynes intercepted a Carroll pass and streaked 40 yards for the winning tally. Connell's kick was good.

The West Monroe Rebels made short work of spoiling Fair Park's homecoming as they upended the Tribe 21-6 on a rainsoaked field.

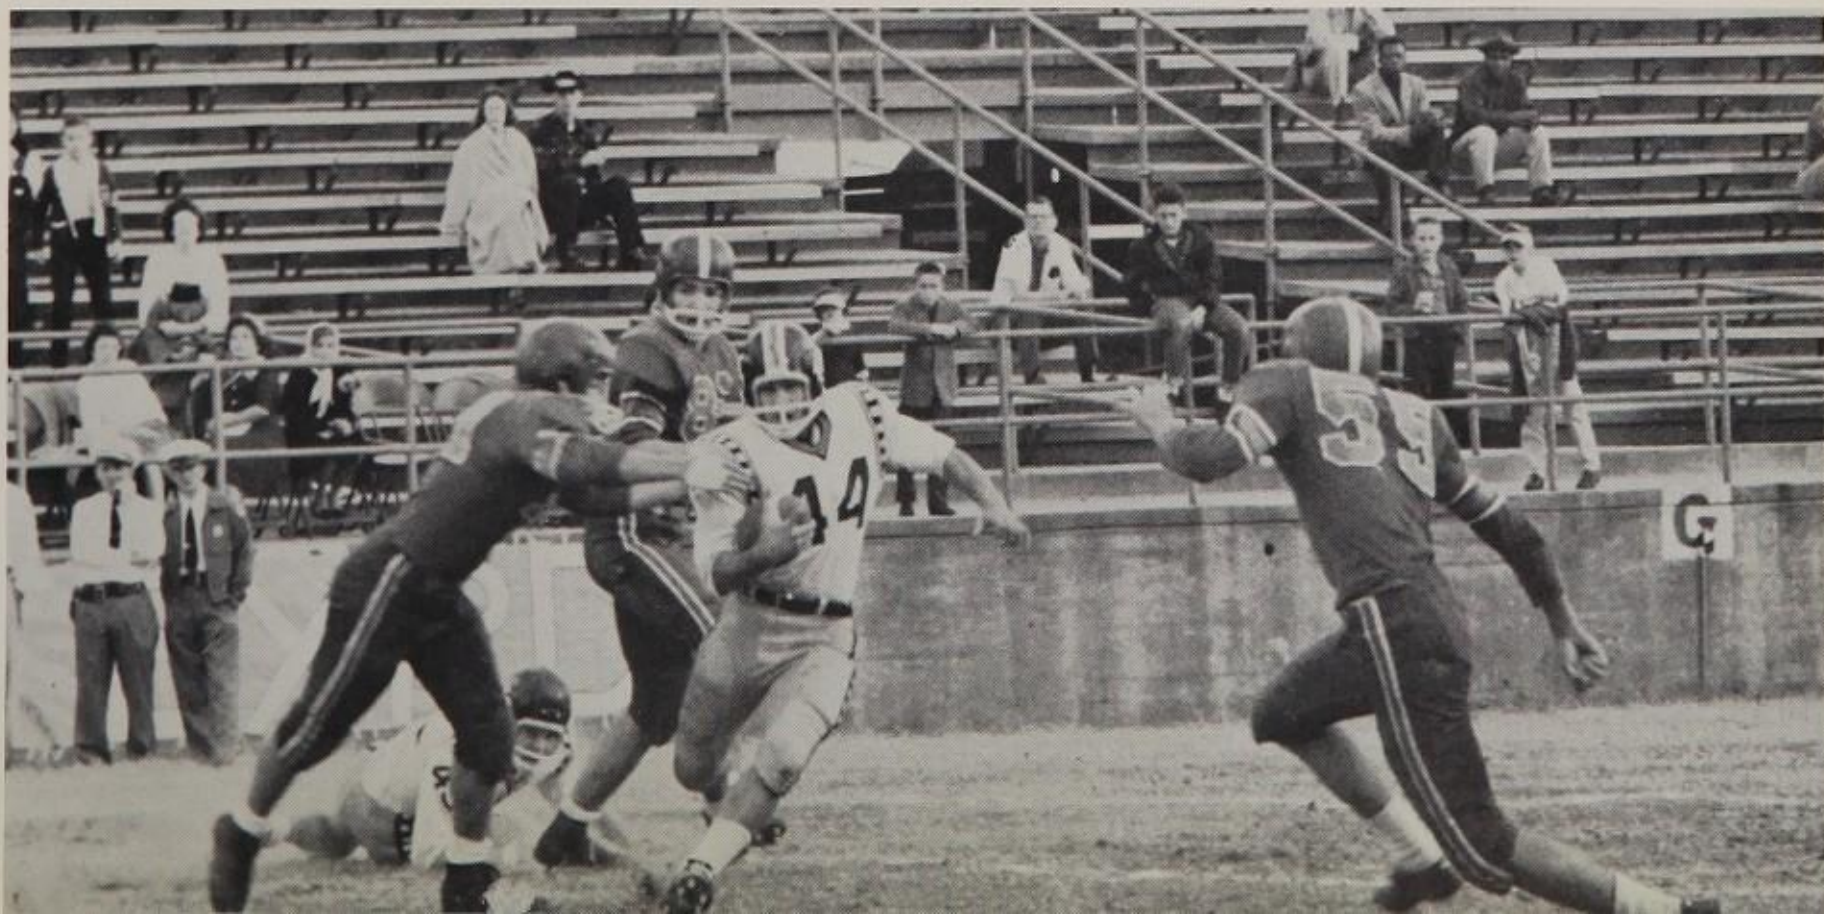

Buck Fox scored in the first quarter on an eight-yard sprint. John Moses' extra point was good and West Monroe led 7-0.

Middle way in the second period, the Indians recovered a Reb fumble on the Tribe one-yard line. Donnie Carroll's first down punt attempt was blocked and Reb John Green fell on it in the end zone for the score. Roscoe Holcomb ran the extra point, running the score to 14-0.

Early in the second half West Monroe broke over again on an end run by Holcomb covering 65 yards. West Monroe again elected to run the PAT and John Covington running from the fullback slot did just that, putting the scoreless Tribe down another point.

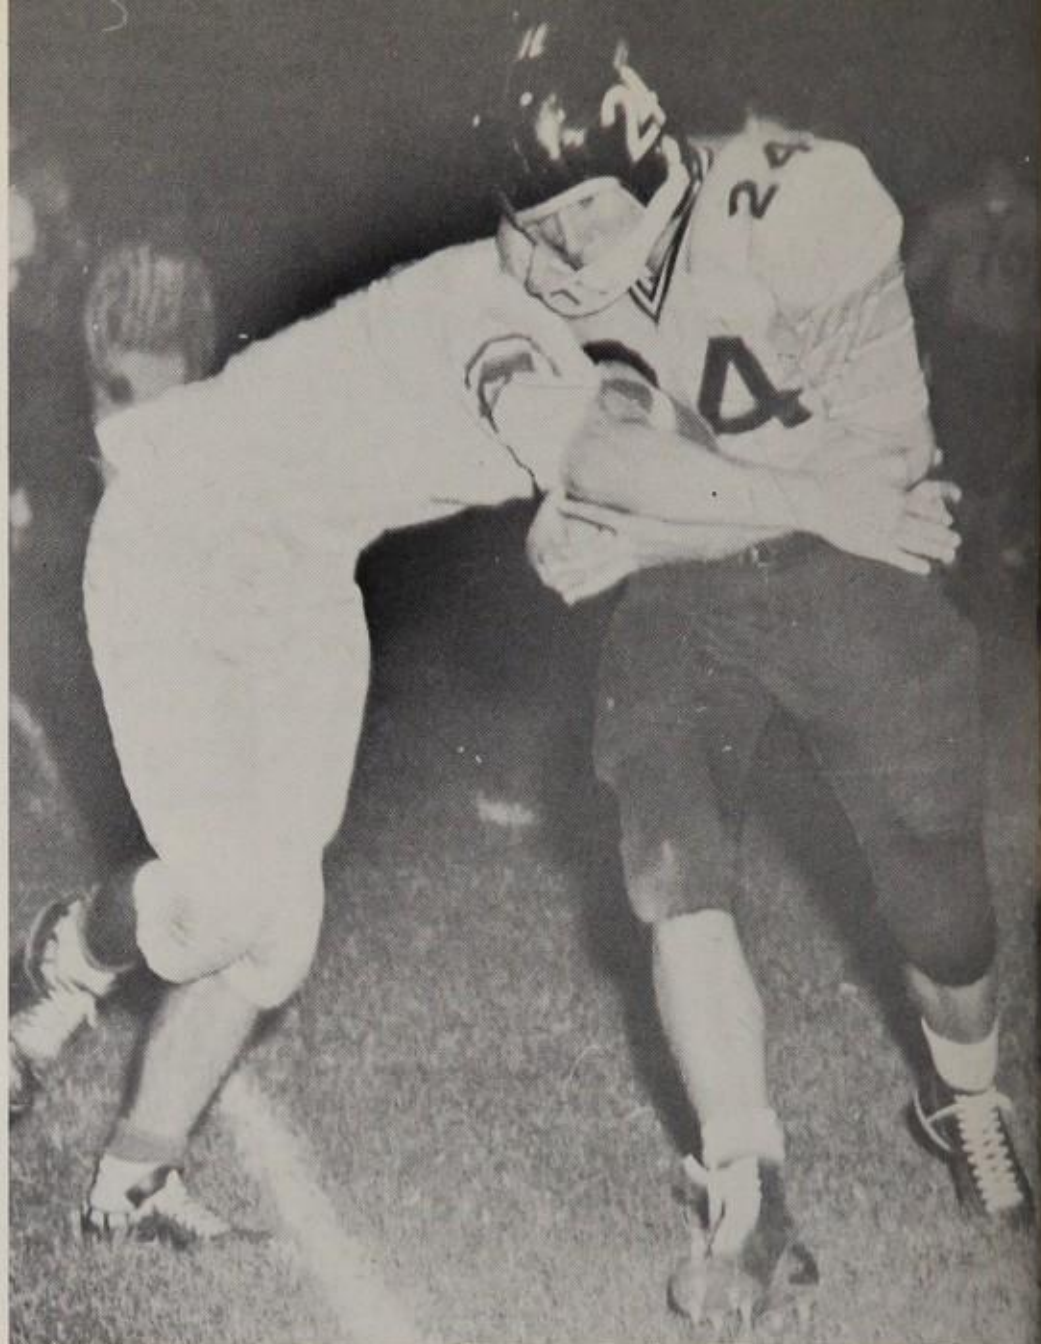

Scatback Charles Maranto took the kickoff and raced deep into West Monroe territory, where Billy Vice took over and scored the lone Indian touchdown.

"Watch out, Jackets! I'm coming through!" says Billy Vice.

Billy Vice comes back to earth after hurdling Bossier defenders.

Paul Labenne suffers a broken collarbone as he is pulled down on this play.

Fair Park 0 Byrd 19

The Indians of Fair Park came out on the short side this year in their annual clash with the Byrd Yellow Jackets as Byrd triumphed 19-0.

Paced by quarterback Sonny Parnell, the Jackets gained a 6-0 advantage at the half and went on to grab two more in the second half.

On the first play of the second quarter, Parnell capped a 66 yard drive with a one-yard plunge for the first marker.

Early in the fourth period, Byrd struck again on a 34 yard pass play from Parnell to end Ronnie Connor.

In the last minutes of the game, Parnell went over from the five yard line for the final TD. Charles Beach made the extra point good, his first in three attempts, as the scoreboard spelled out a hard-fought Indian setback 19-0.

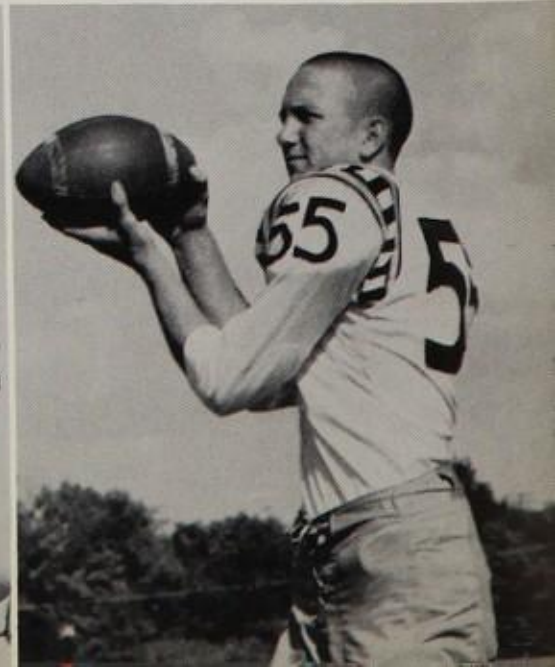

Paul Labenne was most outstanding for Fair Park as he saw action for the first time since the game with El Dorado.

The Student Council is an example of democracy-in-action. It is composed of students who represent their respective classes in school problems. A laboratory in citizenship, the Student Council gives students an opportunity to act in a real situation — not one which is "made up" just for practice.

Delegates from the Student Council attended the national convention in Pittsburgh, Pennsylvania, the state workshop, and the state student council convention.

The Fair Park Student Council served as host to the 1959 Louisiana Association of Student

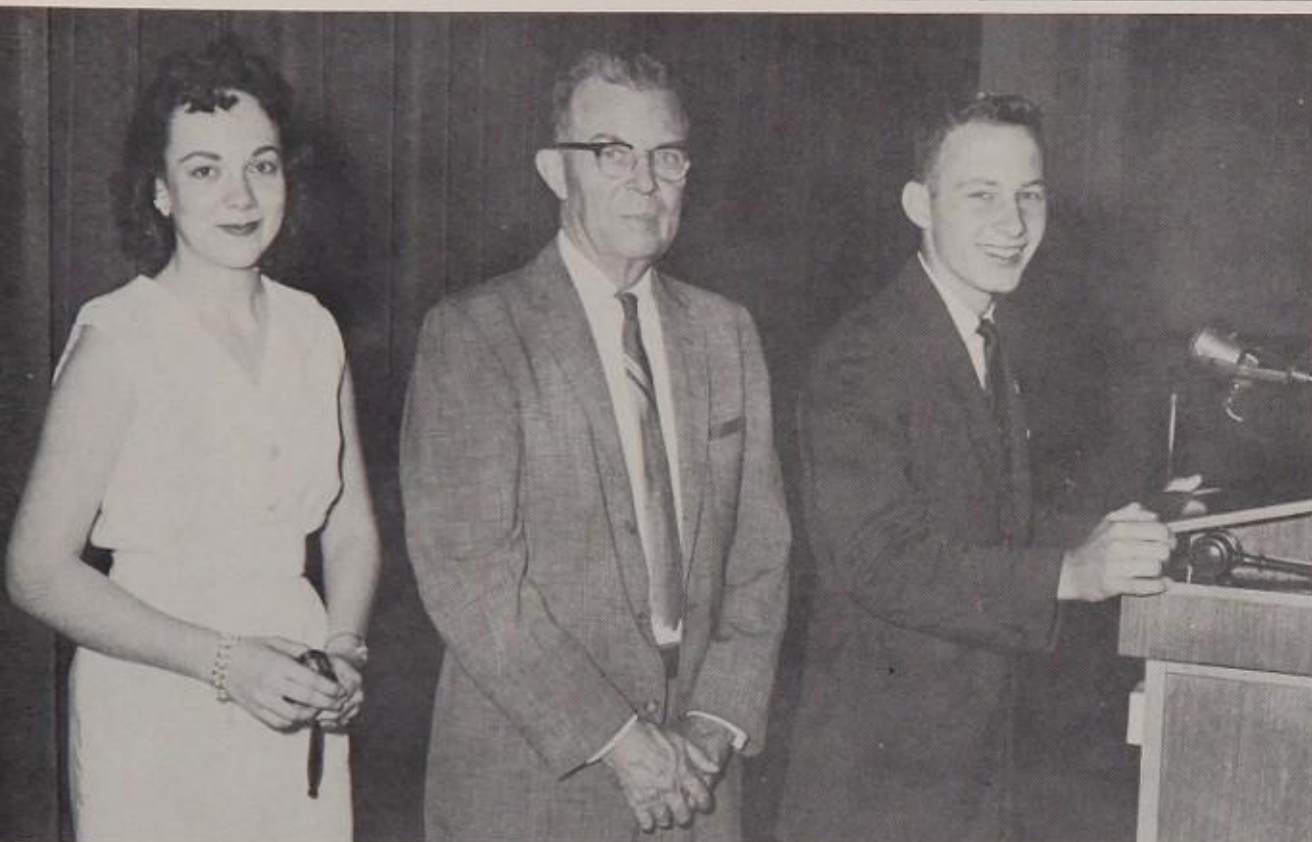

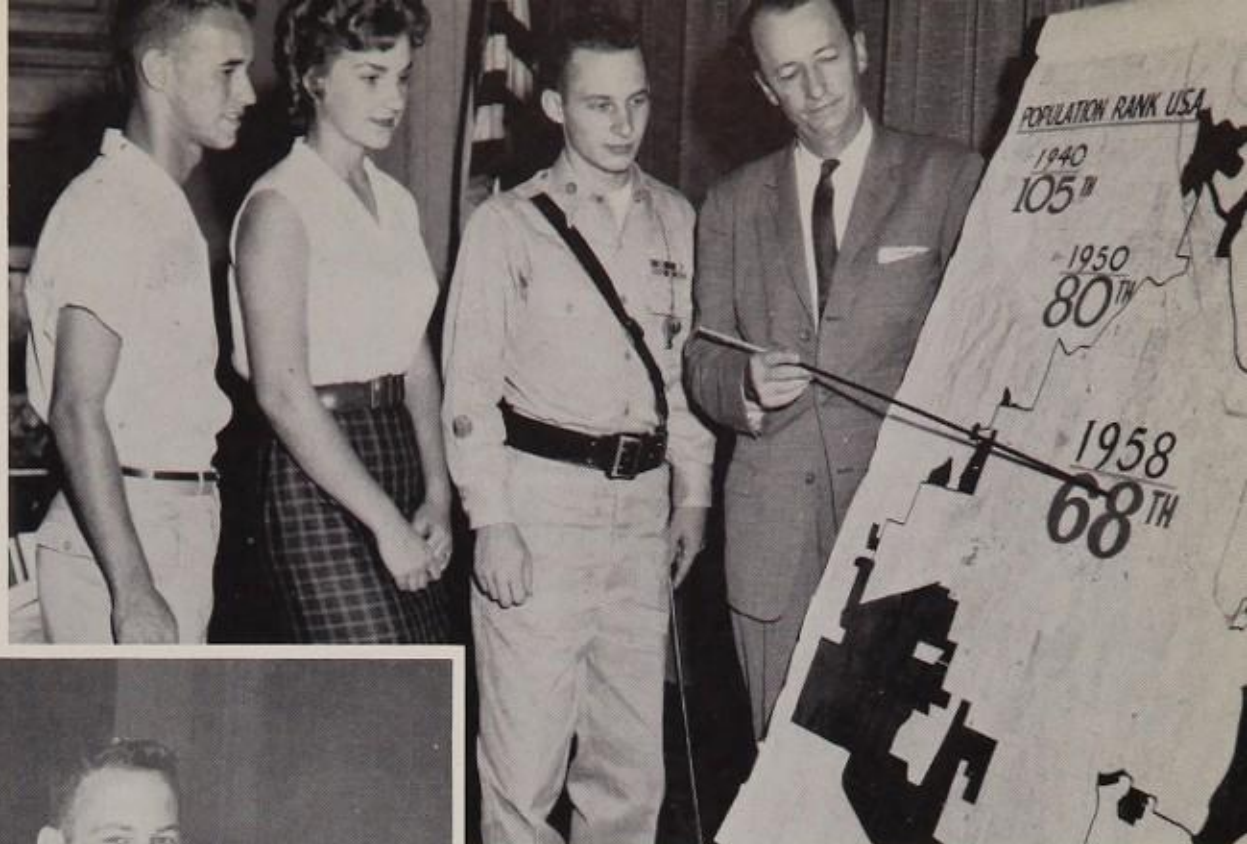

Councils Convention. "Youth in Action — A Better Nation," was the theme as over four hundred delegates were warmly welcomed into the homes of Fair Park students.

Activities sponsored by the student council were: the Hixie Davidson Memorial Scholarship, the Christmas dance, the annual Student Council talent show, "Sophomore Week," the orientation assembly, courtesy classes, the "Honor Code," chapel services, "Youth Week," organization of the Presidents' Club, school savings program, school store, bulletin boards, cafeteria music, elections, and school spirit drives.

Members of the Sequoyah Circulation Staff are the richest students at Fair Park at least three days a year. Those three days are the collecting days when they pick up money received by home room teachers from yearbook sales.

The staff of senior girls supervised by Mrs. Norma Jean Brown assumes the responsibility of promoting and selling the Sequoyah to the student body.

Manager Pauline Leadaman spends much time and effort balancing all collections. Accurate records of the money collected must be kept by each girl. Records are also kept on the number of copies of the book that have been sold. The staff is also responsible for distributing yearbooks to the student body.

Billy Joe Thompson, President; Howard Bell, Vice-President; Richard Groves, Secretary; Charles Strickland, Treasurer.

The Key Club is a service organization dedicated to the betterment of our school, community, and city. The Fair Park Key Club is sponsored by the West Shreveport and Cedar Grove Kiwanis Clubs.

The boys in the club must have at least a C average and be approved by the principal and the teachers.

Each year the members select three girls for honorary sponsor. This year they are, Louise Pearce, Jimmie Dale Baughman, and Donna Whipple.

Our most important projects were to serve as transportation committee for two conventions and to sponsor Fair Parks' First Homecoming.

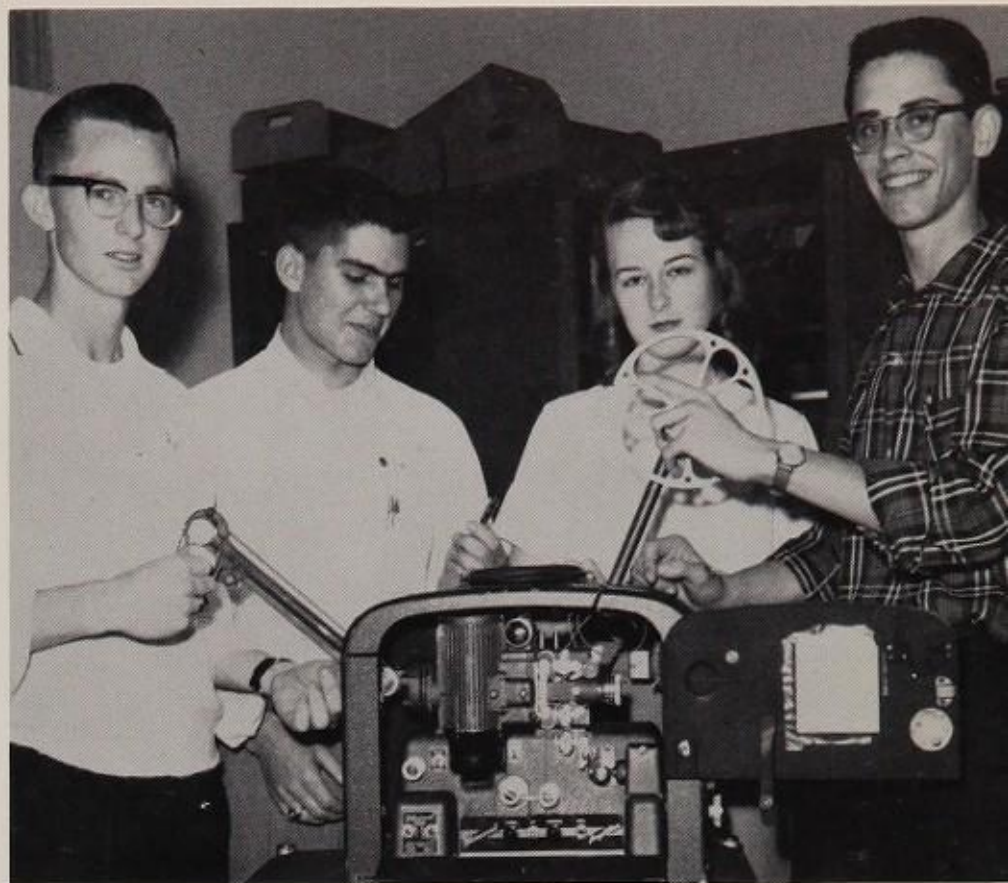

"Have projector, will show," the Audio-Visual Club works for the benefit of the student body.

Without the program of the Audio-Visual Club, the films that aid us in our studies would not be available.

Each member of the club has a job that must be done and each works for his goal. The chief qualifications needed by Audio-Visual Club members are promptness, accuracy, reliability, and orderliness.

The boys project films, keep the machines in order, and report the conditions of the films. The girls perform such duties as processing films as they come in to the school, assisting in mailing films and filing film cards.

The club owes much of its success to the understanding guidance and supervision of its sponsor, Mrs. Mason.

At Christmas the club plays Santa Claus, or Los Reyes Magos, by spreading holiday cheer to someone less fortunate.

Sponsoring Pan-American Week with colorful informative posters in the halls, bright decorations in the cafeteria and the charming costumes many members wear on Pan-American Day, this club greatly increases awareness of our neighbors to the South.

Creative Writing Club has literary talent.

Jimmie Dell Bowman, President; Sue McDaniel, Vice-President; Meradith Tilbury, Reporter; Charlotte Grant, Secretary; Rita Mauldin, Treasurer.

This club was formed to increase knowledge and appreciation of good literature as well as to develop literary skill. Members try to combine the reading and appreciation of poetry, plays, short stories, and essays with their own attempts at writing. To do this they employ the basic fundamentals of writing, correct meter, types of lines and many other devices. Mrs. Jones, sponsor, is an encouraging coach.

Each person puts a part of himself into his efforts and in return receives the satisfaction of self-expression. Results are evidenced by the fact that each year the club has winners in the National Writing Competition. Winning poetry is published in the annual anthology of high school poetry by the National High School Poetry Association.

A better knowledge and understanding of the policies of national and international affairs is the aim of the debate club. A better method of expression, an increased amount of knowledge in various fields, as well as the opportunity to match wits against others of like age makes debating an educational as well as an interesting study.

The Y-Teens is an organization sponsored by the Y.W.C.A. for girls in both high school and junior high. The purpose of this organization is to interest girls in service for others.

This year at Fair Park the Y-Teens are divided according to classes. They are the Junior Y-Teens, Senior Y-Teens, and the Sophomore Y-Teens. In each group there have been projects such as Christmas and Thanksgiving baskets for needy families. Guest speakers talk to them on various subjects.

In the summer the Y-Teens hold the Mid-South convention lasting eight days. All girls in Y-Teens throughout the states may attend. There the girls participate in activities designed to improve club response to the Y-Teen program.

In 1959, the Fair Park Chapter of the National Honor Society was organized with a charter issued by the National Council of the National Honor Society. Sixty-one seniors and twenty-nine juniors inducted on May 17, 1959, became the charter members of the Fair Park Chapter of the National Honor Society. At the induction ceremony each person received a membership card and a pin.

This organization was founded by high school principals for the purpose of recognizing students who have been outstanding in scholarship, service, character, and leadership. A student becomes a member of the National Honor Society upon recommendation by the faculty and upon attaining a "B" average. Not more than ten per cent of the junior class may be elected and not more than fifteen per cent of the senior class.

Seniors elected to membership in the Spring are called graduate members. Juniors are active members. Active members elect officers and meet as a group. All organization and all business of the Society are regulated by the constitution.

As a service organization, the Fair Park National Honor Society has served as: ushers for baccalaureate, diploma carriers for graduation, and hosts for the Louisiana Student Council Convention banquet.

Eighty-Eighth Year of Leadership in Ark-La-Tex

Congratulations to the Graduates of Fair Park High

Many young women from Fair Park High have laid the foundation for a successful life. After Fair Park High you go your respective ways. Some to four year colleges. Some to junior colleges. Others to a life without additional training. There are some, however, who are ambitious to start earning immediately. To these, AYERS' SCHOOL OF BUSINESS has something definite to offer.

After a few months in AYERS, a nice office position with a good salary will be yours. Let us urge you, before deciding on a school, to visit AYERS' SCHOOL OF BUSINESS. A cordial welcome awaits you.

Do you like your memory book? We hope you do like your 1960 Sequoyah, and that we have captured moments of the past year that are dear to you. If you can look at this Sequoyah five, ten, or twenty years from now and recapture pleasant moments from the past, if you can recall your ambitions, plans, desires, goals, hopes, and dreams, then this book has been a success. For the purpose of the Sequoyah is to preserve a year of your life for you to keep always.

We feel our purpose has been fulfilled. Now with our job completed, there is time to draw a deep breath and really appreciate the people whose work made your book possible.

We keep saying Miss Sammie Banks, the advisor of the Editorial Staff, deserves a medal for her work on this book, but as yet she hasn't received one. Let this, then, be a medal on paper to Miss Banks, who has pushed us, pulled us, chided us, and guided us over many a rough spot.

Also in there pushing and pulling are the Business Staff of Mrs. Daisy Isgett and the Circulation Staff of Mrs. Norma Jean Brown. What would we do without them! We thank the Sequoyah Business Staff for the ads sold and the Circulation Staff for the yearbooks sold.

The pictures tell the story of the year in the lives of Fair Parkers. For those pictures we thank all the wonderful people at Milburne's Studio, and especially Mr. Milburne Alfred. He has supplied the characters in this book with kindness, consideration, and, most of all, patience.

But every book must have a publisher and the Sequoyah has the best. Taylor Publishing Company, and Mr. Jimmy Cobb especially, thank you for your production of this book.

Then there are the people who created the book. For drawing layouts, writing copy, running errands, alphabetizing pictures, checking the one hundred and one thousand things that have to be checked — for all this and more our editors and clerks are responsible. I can't thank them enough, but I have to try. Thank you all so much!

To Mr. Herron for his understanding and co-operation, we are extremely grateful. Also, there is untold gratitude for the time and patience the Office Staff has shown us.

But what are pictures without faces, or words that have no meaning? This book was written for you, the faculty and students, and also about you. All the people mentioned here join me in wishing you enjoyment of your 1960 Sequoyah!

Dear John.

I haven't ever known any one a short time and liked them as I have liked you. You and I think and act a lot alike, that is why we hit it off real well. I sure wish you were going to college with me. You are the sweetest, friendliest guy I have ever known, and a "lover." When we part this year, let's be sure and keep in touch.

may God Bless you and
may you always have the best.

To my dearest, darling, adorable, lovable, precious,
sweet husband,

I hardly know where to begin. This
year has been filled with happy experiences.
We had alot of fun last year but this
year has been much, much more fun. We
have really had fun in Home and Family
Living and we have really taken advantage
of it. We have shared so very many personal
experiences that I feel I know almost
everything about you. But I'm sure that
there is something I don't know. Ha! John,
you are just like a brother to me. During
our conversations, we have gotten pretty
deep. Sometimes I think a little too deep.
But you know — we were in Home + Family
Living! Someday, John, you are going to
make some girl a wonderful husband. I
hope you get the best girl there is ~~but~~ because
you truly deserves it. I hope we will be
together at Tech but try not to have too
many S. R. — "yield not to temptation."

all my love forever

Mandie Lighter

To my one and only,

Well this is our last year at this place but I must say I hate to go. Maybe someday we can be somewhere else together. I just want to tell you you've been real sweet and I'll never forget you. Best of luck always in all that you do.

Love you,
Linda Adam

Dear John Larry,

I have enjoyed being your friend and "cuz" for all these years. I know we will remain friends for many years to come. Remember all the fun we have had. The time we caught the chair, I put your make-up on, and so many, many more. I hope that you will have a wonderful life and enjoy all that you do. God bless you

Love ya,

Dear John

We've had so much fun together this year haven't we. Especially in the "Senior Play" which was loads of fun. That is behind the "scenes" as you say. I hope you have learned (you know what) by now — you had enough practice. I know we'll always remember Miss Truisty and the "cast" members. They were all so wonderful.

We've had so much fun in Mrs. Barlow's class too — fun talking & cutting up and getting no work done.

Well the years have passed so fast & we're almost out just a few more weeks. I'll always remember you and all the fun we've had.

Loads of Love
